General Public

The New Motor Vehicle Board is hosting its 8th Industry/Attorney Roundtable on Wednesday, March 30, 2011, from 8:30 a.m. to 3:30 p.m., at Secretary of State building, 1500 11th Street, Sacramento, California. Please see the attached enclosure for directions and parking.

The purpose of the Industry/Attorney Roundtable is to educate the Board members on industry-related issues and to provide them with an opportunity to interface with dealer and factory personnel. The event is also designed to educate attorneys that regularly appear before the Board, or who would like to appear before the Board, on procedures and laws relating to the Board. Lastly, the Roundtable is geared toward manufacturer and distributor counsel or employees who prepare or review statutorily required notices sent to the Board and the impacted dealers.

The enclosed *draft* topics will be addressed by the Board legal staff and guest speakers. Several of the topics are tailored for an open forum discussion and we would appreciate your input and participation. Additionally, it is an excellent opportunity for us to get feedback concerning the Board's case management operations.

There is no cost to attend the Roundtable. However, we ask that you please complete the enclosed Registration Form and return it to the Board by March 25, 2011, so that we will know how many attendees to plan for.

If you have any questions or require additional information, please do not hesitate to contact me at (916) 324-6197.

Respectfully,

William G. Brennan
Executive Director
