DANA F. WINTERROWD

Subject: Industry Roundtable (April 10, 2014)

Board staff is planning for the Industry Roundtable, scheduled for April 10, 2014, at DMV Headquarters, Sacramento. In that regard, the following topics are being considered for inclusion in the roundtable agenda:

I. Panels for exploring and discussing:

A. Autonomous vehicles

B. DMV Current Enforcement Focus:

Export/Resale Prohibitions

Odometer fraud

[Potential other topics: Advertising Violations – Rebates and Hot 2014 Enforcement Issues]

C. Alternative Fuels

Electricity

Fuel cell projects/high efficiency vehicles

o (Hydrogen) Fuel cell partnership

o Bio fuels

o Natural gas (primarily Methane [CH₄])

Marketing/Development

o Promotions

o Incentives: tax deductions/credits

o Public awareness

D. CFPB: Activities and jurisdiction relative to the new motor vehicle industry (Loans, extended warranties, other terms of sale.)

II. Short Session Updates:

A. Protests

B. Paperless transactions: registration & licensing; current conditions.

If you have any questions or concerns about any of these plans, please do not hesitate to call me at (916) 324-6197.
