**Subject: DISCUSSION AND CONSIDERATION OF THE UPCOMING INDUSTRY
ROUNDTABLE**

The Board staff are preparing for the upcoming annual Industry Roundtable. The Roundtable is being held at the Department of Health Services auditorium on May 4, 2017.

Below is a list of topics gathered from staff and Board member suggestions. This list has been narrowed to include the topics that are most relevant and provide a broad range of information regarding the current state of the automotive industry. We are also soliciting input from various dealer, manufacturer and public interest groups for other potential presentations.

Potential Topics/Speakers

- Car-sharing's rise: Auto manufacturers beginning their own car-sharing programs
 - Autonomous Vehicle Taxis being implemented in Singapore
 - Autonomous Uber in San Francisco
- Car dealerships' contribution to national and state economies (Center for Automotive Research report)
- Status of recall issues:
 - Used car recall repairs
 - How is current legislation going to streamline process?
- Investigative Reports
 - Are there any other relevant investigative reports affecting the automotive industry?
- Case management statistics
- Legislative update:

- AB 287 Recall bill
- CNCDA v. Truecar lawsuit
- CNCDA request to DMV for Tesla investigation regarding unlicensed sales locale at Nordstrom
- Panel Discussion on warranty claims/franchisor incentive post SB 155
- Right of First Refusal
- Dealership Loaner Programs
- Electric/Alternative Fuel Vehicles
- Autonomous Vehicles and their Regulation

This matter is being agendaized for discussion and consideration at the January 18, 2017, General Meeting. If you have any questions or require additional information, please do not hesitate to call me at (916) 324-6197 or Danielle at (916) 327-3129.
