PROPOSED REGULATORY ACTION

The Board proposes to delete section 593, and amend sections 594, 595, and 597 of Title 13 of the California Code of Regulations pertaining to the format of pleadings.

At that meeting comments were received by members of the industry. Based on those comments and those of its members, the Board revised the proposed text. The proposed text was adopted at a noticed meeting held on February 4, 2010. Ten days prior to the meeting, a detailed agenda including the consideration of the proposed text of the regulations was mailed to the Board’s Public Mailing List and Electronic Public Mailing List, a list of approximately 90-100 individuals, entities and governmental agencies who have requested notification by the Board of pending Board matters, and the 38 California New Car Dealers Association Directors. The agenda was also posted on the Board’s website. No comments by the public were received at the February 4, 2010, General Meeting, and no further public discussions were held prior to publication of the notice.

AUTHORITY AND REFERENCE

Vehicle Code section 3050(a) authorizes the Board to adopt the proposed regulations. The proposed regulations implement, interpret, and make specific Vehicle Code sections 3050 and 3051.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Vehicle Code section 3050, subdivision (a) authorizes the Board to adopt rules and regulations governing such matters as are specifically committed to it.

The adopted mission of the Board is to: "...enhance relations between dealers and manufacturers throughout the State by resolving disputes in the new motor vehicle industry in an efficient, fair and cost-effective manner. The adopted vision statement provides that the Board safeguard for its "constituency, a fair, expeditious and efficient forum for resolving new motor vehicle industry disputes, which ultimately improves relations and reduces the need for costly litigation and develop methods that further improve the delivery of Board services in a timely and cost-effective manner..."

The Board proposes to delete Section 593 pertaining to papers and approved forms because it is obsolete and the Board does not have any pre-approved forms. It also eliminates the requirement that "papers" have original signatures. This will allow for e-mail and facsimile of documents; something that the litigants that appear before the Board have been requesting.

The Board proposes to amend Section 594 pertaining to size of paper and pagination for clarity and to delete obsolete requirements. The requirement of an original paper is being deleted in renumbered subdivision (f). The parties will be permitted to submit documents that do not have an original signature. Subdivision (h) pertains to the current practice that requires each paper filed with the Board bear a footer in the bottom of each page that contains the title of the paper or some abbreviation and the page number.

The Board proposes to amend Section 595 for clarity and to make grammatical changes. The proposed amendments delete obsolete language concerning when protest

numbers are assigned and clarifies that the same case number shall not be assigned to more than one petition, appeal, or protest. The proposed amendments specify that upcoming dates in the proceeding should be on the first page. These amendments incorporate several of the provisions in the Office of Administrative Hearing's regulations (1 CCR § 1006). Lastly, the proposed amendments formalize the following practices:

- Allows the Board to direct a party to submit pleadings or other papers electronically, if the party is able to do so.
- Formalizes how a party may obtain a conformed copy of a paper filed with the Board.
- Permits the filing of papers via facsimile or electronic-mail. Unless the ALJ or Board order requires such, the original paper does not need to be filed with the Board if the party gets Board confirmation that a complete and legible copy of the papers was received.
- Clarifies when papers delivered to the Board are "filed." Specifies that papers received after regular business hours are filed on the next regular business day.
- Specifies that protests sent by U.S. Postal Service certified or registered mail are deemed received by the Board on the date of certified or registered mailings and will be filed as of the date of the certified or registered mailing. This amendment is consistent with Sections 585 and 598 of the Board's regulations.

The Board proposes to amend Section 597 to allow the Board to accept for filing papers, documents, or exhibits that bear a copy of a signature.

DISCLOSURES REGARDING THE PROPOSED ACTION

The Board has made the following initial determinations:

Mandate on local agencies and school districts: None.

Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed in accordance with Government Code sections 17500 through 17630: None.

Other nondiscretionary costs or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: None.

Significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on representative private persons or businesses: The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Adoption of these regulations will not:

- (1) Create or eliminate jobs within California.
- (2) Create new businesses or eliminate existing businesses within California; or
- (3) Affect the expansion of businesses currently doing business within California.

Significant effect on housing costs: None.

Small Business Determination:

The Board has determined that the proposed regulations will have no effect on small businesses. This determination was made because no small businesses are legally required to comply with the regulation, are legally required to enforce the regulation, or derive a benefit from or incur an obligation from the enforcement of the regulation. The proposed regulations merely clarify case management for franchised new motor vehicle dealers and their franchisors (new vehicle manufacturers or distributors) who choose to file a protest, petition or appeal with the Board.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Board must determine that no reasonable alternative it considered, or that has otherwise been identified and brought to the attention of the Board, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

The Board invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations during the written comment period.
