INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Vehicle Code section 3050, subdivision (a) authorizes the Board to adopt rules and regulations governing such matters as are specifically committed to it.

It is the mission and vision of the Board, as adopted by its members, to: resolve disputes in the new motor vehicle industry in an efficient, fair and cost-effective manner; safeguard for the Board's constituency, a fair, expeditious and efficient forum for resolving new motor vehicle industry disputes which ultimately improves relations and reduces the need for costly litigation; and, develop methods that further improve the delivery of Board services in a timely and cost-effective manner.

The Board proposes to amend section 590 to the regulations contained in Title 13 of the California Code of Regulations in order to implement the recommendations of the Audit Review Committee that the Board's organization structure and duties of the Executive Director be redefined to eliminate all duties related to hearing Board cases.

DISCLOSURES REGARDING THE PROPOSED ACTION

The Board has made the following determinations:

EFFECT ON SMALL BUSINESSES

The Board has determined that the proposed amendments will have no effect on small businesses. This determination was made because no small businesses are legally required to comply with the regulation, are legally required to enforce the

regulation, or derive a benefit from or incur an obligation from the enforcement of the regulation.

LOCAL MANDATE

The proposed regulatory action does not impose a mandate on local agencies or school districts.

FISCAL IMPACT STATEMENT

The proposed regulatory action imposes (1) no cost or savings to any state agency; (2) no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code; (3) no other non discretionary cost or savings to local agencies; and (4) no costs or savings in federal funding to the state.

EFFECT ON BUSINESSES

The Board has made an initial determination that the proposed regulatory action will not have a significant statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states. No studies or data were relied upon in making this determination.

POTENTIAL COST IMPACT ON PRIVATE PERSONS OR BUSINESSES

No cost impact of the proposed regulatory action is expected as there are no directly affected private persons. The Board expects no cost impact on directly affected businesses. The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

ASSESSMENT REGARDING THE EFFECT ON JOBS/BUSINESSES

The adoption of this regulation will neither create nor eliminate jobs or businesses in the State of California, will not result in the elimination of existing businesses, and will neither reduce nor expand businesses currently doing business in the State of California.

EFFECT ON HOUSING COSTS

The proposed regulatory action will have no impact on housing costs.

EFFECT ON FEDERAL LAW

The proposed regulatory action will not duplicate or conflict with any federal law.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Board must determine that no reasonable alternative it considered, or that has otherwise been identified and brought to the attention of the Board, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

At the November 7, 2003, General meeting, wherein the Board preliminarily adopted the proposed regulatory text, no other alternatives were considered. However, then Board President, Glenn E. Stevens invited and encouraged the submission of written and oral comments. Furthermore, Mr. Stevens indicated that the Board, in instructing staff to go forward with the proposed rulemaking, did not necessarily indicate final Board action. If any written or oral comments were received, the full Board would consider the comments and reconsider the text of the proposed rulemaking. Lastly, if the staff decided that modifications to the proposed text were necessary, the Board would consider those modifications at a noticed meeting. If there were no written or oral comments received, then the rulemaking process will proceed without further Board involvement.
