It is being updated to reflect legislative changes that were effective January 1, 2014. The table of contents and all page references were updated along with the website links in the Preface and the reporting costs chart and text on pages 57-58. The pertinent changes, as indicated below, are in italic/underline and strikeout font.

- The good cause factors for “additional or relocated franchise” and “additional or relocated satellite warranty facility” on pages 28 and 32, respectively, were updated;
- The sections pertaining to warranty claims (pages 35-41) and franchisor incentive program claims (pages 45-50) for new motor vehicle dealers were completely revised consistent with Senate Bill 155;
- Conforming changes were made to the sections pertaining to warranty claims and franchisor incentive program claims for recreational vehicle dealers (pages 42-44 and 51-52, respectively);
