**ROUNDTABLE**

On March 26, 2015, the New Motor Vehicle Board ("Board") held its 12<sup>th</sup> Industry Roundtable. Over 50 people attended the event, in addition to several Board members and staff. The attendees represented industry associations, dealers, manufacturers, lobbyists, private sector vendors and the government. Surveys were provided to the attendees in order to solicit feedback on the topics presented.

Positive feedback was received on the surveys and all respondents found the topics timely and of interest. There were several requests for additional coverage of franchise laws and any updates to those laws. There was one request for more DMV topics and statistics.

Generally, the consensus regarding lunch was that 45 minutes was adequate. There was one request for an hour-long lunch. Most who answered also stated that this year's schedule of 9:00 a.m. to 3:00 p.m. was appropriate. There was one request for 10:00 a.m. to 4:00 p.m. from an attendee living in the Bay Area and one request from an attendee to start at 8:00 a.m. and end at 2:00 p.m.

There were some requests from those unable to attend for any materials from the presentations. They were directed to the Board's website, where all the PowerPoint presentations have been posted. All requesters were appreciative of the materials being made available online.

This matter is being agendized for informational purposes only. No Board action is required.
