PREFACE

1
2
3 Formal standards of judicial conduct have existed for more than 65 years. The original
4 Canons of Judicial Ethics promulgated by the American Bar Association were modified
5 and adopted in 1949 for application in California by the Conference of California Judges
6 (now the California Judges Association).

7
8 In 1969, the American Bar Association determined that then current needs and problems
9 warranted revision of the canons. In the revision process, a special American Bar
10 Association committee, headed by former California Chief Justice Roger Traynor, sought
11 and considered the views of the bench and bar and other interested persons. The
12 American Bar Association Code of Judicial Conduct was adopted by the House of
13 Delegates of the American Bar Association August 16, 1972.

14
15 Effective January 5, 1975, the California Judges Association adopted a new California
16 Code of Judicial Conduct adapted from the American Bar Association 1972 Model Code.
17 The California code was recast in gender-neutral form in 1986.

18
19 In 1990, the American Bar Association Model Code was further revised after a lengthy
20 study. The California Judges Association again reviewed the model code and adopted a
21 revised California Code of Judicial Conduct on October 5, 1992.

22
23 Proposition 190 (amending Cal. Const., art. VI, § 18, subd. (m), operative March 1, 1995)
24 created a new constitutional provision that states, “The Supreme Court shall make rules
25 for the conduct of judges, both on and off the bench, and for judicial candidates in the
26 conduct of their campaigns. These rules shall be referred to as the Code of Judicial
27 Ethics.”

28
29 The Supreme Court formally adopted the 1992 Code of Judicial Conduct in March 1995,
30 as a transitional measure pending further review.

31
32 The Supreme Court formally adopted the Code of Judicial Ethics effective January 15,
33 1996.

34
35 The Supreme Court has formally adopted amendments to the Code of Judicial Ethics on
36 several occasions. The Advisory Committee Commentary is published by the Supreme
37 Court Advisory Committee on the Code of Judicial Ethics.

1 **PREAMBLE**

2
3 Our legal system is based on the principle that an independent, fair, and competent
4 judiciary will interpret and apply the laws that govern us. The role of the judiciary is
5 central to American concepts of justice and the rule of law. Intrinsic to this code are the
6 precepts that judges, individually and collectively, must respect and honor the judicial
7 office as a public trust and must strive to enhance and maintain confidence in our legal
8 system. The judge is an arbiter of facts and law for the resolution of disputes and is a
9 highly visible member of government under the rule of law.

10
11 The Code of Judicial Ethics (“code”) establishes standards for ethical conduct of judges
12 on and off the bench and for candidates for judicial office.* The code consists of broad
13 declarations called canons, with subparts, and a terminology section. Following many
14 canons is a commentary section prepared by the Supreme Court Advisory Committee on
15 the Code of Judicial Ethics. The commentary, by explanation and example, provides
16 guidance as to the purpose and meaning of the canons. The commentary does not
17 constitute additional rules and should not be so construed. All members of the judiciary
18 must comply with the code. Compliance is required to preserve the integrity* of the
19 bench and to ensure the confidence of the public.

20
21 The canons should be read together as a whole, and each provision should be construed in
22 context and consistent with every other provision. They are to be applied in conformance
23 with constitutional requirements, statutes, other court rules, and decisional law. Nothing
24 in the code shall either impair the essential independence* of judges in making judicial
25 decisions or provide a separate basis for civil liability or criminal prosecution.

26
27 The code governs the conduct of judges and candidates for judicial office* and is binding
28 upon them. Whether disciplinary action is appropriate, and the degree of discipline to be
29 imposed, requires a reasoned application of the text and consideration of such factors as
30 the seriousness of the transgression, if there is a pattern of improper activity, and the
31 effect of the improper activity on others or on the judicial system.

TERMINOLOGY

Terms explained below are noted with an asterisk (*) in the canons where they appear. In addition, the canons in which these terms appear are cited after the explanation of each term below.

“Candidate for judicial office” is a person seeking election to or retention of a judicial office. A person becomes a candidate for judicial office as soon as he or she makes a public announcement of candidacy, declares or files as a candidate with the election authority, or authorizes solicitation or acceptance of contributions or support. 25
26 “Law, the legal system, or the administration of justice.” When a judge engages in
27 an activity that relates to the law, the legal system, or the administration of justice,
28 the judge should also consider factors such as whether the activity upholds the
29 integrity, impartiality, and independence of the judiciary (Canons 1 and 2A),
30 whether the activity impairs public confidence in the judiciary (Canon 2), whether
31 the judge is allowing the activity to take precedence over judicial duties (Canon
32 3A), and whether engaging in the activity would cause the judge to be disqualified
33 (Canon 4A(4)). See Canons 4B (Commentary), 4C(1), 4C(1) (Commentary),
34 4C(2), 4C(2) (Commentary), 4C(3)(a), 4C(3)(b) (Commentary), 4C(3)(d)(ii),

31 is defined above.

CANON 1

**A JUDGE SHALL UPHOLD THE INTEGRITY* AND
INDEPENDENCE* OF THE JUDICIARY**

An independent, impartial,* and honorable judiciary is indispensable to justice in our society. A judge should participate in establishing, maintaining, and enforcing high standards of conduct, and shall personally observe those standards so that the integrity* and independence* of the judiciary is preserved. The provisions of this code are to be construed and applied to further that objective. A judicial decision or administrative act later determined to be incorrect legally is not itself a violation of this code.

ADVISORY COMMITTEE COMMENTARY: Canon 1

Deference to the judgments and rulings of courts depends upon public confidence in the integrity and independence* of judges. The integrity* and independence* of judges depend in turn upon their acting without fear or favor. Although judges should be independent, they must comply with the law* and the provisions of this code. Public confidence in the impartiality* of the judiciary is maintained by the adherence of each judge to this responsibility. Conversely, violations of this code diminish public confidence in the judiciary and thereby do injury to the system of government under law.*

The basic function of an independent, impartial, and honorable judiciary is to maintain the utmost integrity* in decisionmaking, and this code should be read and interpreted with that function in mind.*

CANON 2

**A JUDGE SHALL AVOID IMPROPRIETY* AND THE
APPEARANCE OF IMPROPRIETY* IN ALL OF THE
JUDGE’S ACTIVITIES**

A. Promoting Public Confidence

A judge shall respect and comply with the law* and shall act at all times in a manner that promotes public confidence in the integrity* and impartiality* of the judiciary. A judge shall not make statements, whether public or nonpublic, that commit the judge with respect to cases, controversies, or issues that are likely to come before the courts or that are inconsistent with the impartial performance of the adjudicative duties of judicial office.

ADVISORY COMMITTEE COMMENTARY: Canons 2 and 2A

Public confidence in the judiciary is eroded by irresponsible or improper conduct by judges.

A judge must avoid all impropriety and appearance of impropriety.* A judge must expect to be the subject of constant public scrutiny. A judge must therefore accept restrictions on the judge's conduct that might be viewed as burdensome by other members of the community and should do so freely and willingly.*

The prohibition against behaving with impropriety or the appearance of impropriety* applies to both the professional and personal conduct of a judge.*

The test for the appearance of impropriety is whether a person aware of the facts might reasonably entertain a doubt that the judge would be able to act with integrity,* impartiality,* and competence.*

As to membership in organizations that practice invidious discrimination, see Commentary under Canon 2C.

As to judges making statements that commit the judge with respect to cases, controversies, or issues that are likely to come before the courts, see Canon 3B(9) and its commentary concerning comments about a pending proceeding, Canon 3E(3)(a) concerning the disqualification of a judge who makes statements that commit the judge to a particular result, and Canon 5B(1)(a) concerning statements made during an election campaign that commit the candidate to a particular result. In addition, Code of Civil Procedure section 170.2, subdivision (b), provides that, with certain exceptions, a judge is not disqualified on the ground that the judge has, in any capacity, expressed a view on a legal or factual issue presented in the proceeding before the judge.*

1 **B. Use of the Prestige of Judicial Office**
2

3 (1) A judge shall not allow family, social, political, or other relationships to
4 influence the judge’s judicial conduct or judgment, nor shall a judge convey or
5 permit others to convey the impression that any individual is in a special
6 position to influence the judge.
7

8 (2) A judge shall not lend the prestige of judicial office or use the judicial title
9 in any manner, including any oral or written communication, to advance the
10 pecuniary or personal interests of the judge or others. This canon does not
11 prohibit the following:
12

13 (a) A judge may testify as a character witness, provided the judge does so
14 only when subpoenaed.
15

16 (b) A judge may, without a subpoena, provide the Commission on Judicial
17 Performance with a written communication containing (i) factual
18 information regarding a matter pending before the commission or (ii)
19 information related to the character of a judge who has a matter pending
20 before the commission, provided that any such factual or character
21 information is based on personal knowledge.* In commission proceedings,
22 a judge shall provide information responsive to a subpoena or when
23 officially requested to do so by the commission.
24

25 (c) A judge may provide factual information in State Bar disciplinary
26 proceedings and shall provide information responsive to a subpoena or
27 when officially requested to do so by the State Bar.
28

29 (d) A judge may respond to judicial selection inquiries, provide
30 recommendations (including a general character reference relating to the
31 evaluation of persons being considered for a judgeship), and otherwise
32 participate in the process of judicial selection.
33

34 (e) A judge may serve as a reference or provide a letter of recommendation
35 only if based on the judge’s personal knowledge* of the individual. These
36 written communications may include the judge’s title and may be written
37 on stationery that uses the judicial title.
38

39 (3) Except as permitted in subdivision (c) or otherwise authorized by law* or
40 these canons:
41

42 (a) A judge shall not advance the pecuniary or personal interests of the
43 judge or others by initiating communications with a sentencing judge or a

1 representative of a probation department about a proceeding pending*
2 before the sentencing judge, but may provide information in response to an
3 official request. “Sentencing judge” includes a judge who makes a
4 disposition pursuant to Welfare and Institutions Code section 725.
5

6 (b) A judge, other than the judge who presided over the trial of or sentenced
7 the person seeking parole, pardon, or commutation of sentence, shall not
8 initiate communications with the Board of Parole Hearings regarding parole
9 or the Office of the Governor regarding parole, pardon, or commutation of
10 sentence, but may provide these entities with information for the record in
11 response to an official request.
12

13 (c) A judge may initiate communications concerning a member of the
14 judge’s family* with a representative of a probation department regarding
15 sentencing, the Board of Parole Hearings regarding parole, or the Office of
16 the Governor regarding parole, pardon, or commutation of sentence,
17 provided the judge is not identified as a judge in the communication.
18

19 *ADVISORY COMMITTEE COMMENTARY: Canon 2B*

20 *A strong judicial branch, based on the prestige that comes from effective*
21 *and ethical performance, is essential to a system of government in which the*
22 *judiciary functions independently of the executive and legislative branches. A*
23 *judge should distinguish between proper and improper use of the prestige of office*
24 *in all of his or her activities.*

25 *As to those communications that are permitted under this canon, a judge*
26 *must keep in mind the general obligations to maintain high standards of conduct*
27 *as set forth in Canon 1, and to avoid any impropriety* or the appearance of*
28 *impropriety* as set forth in Canon 2. A judge must also be mindful of Canon 2A,*
29 *which requires a judge to act at all times in a manner that promotes public*
30 *confidence in the integrity* and impartiality* of the courts.*

31 *A judge must avoid lending the prestige of judicial office for the*
32 *advancement of the private interests of the judge or others. For example, a judge*
33 *must not use the judicial position to gain advantage in a civil suit involving a*
34 *member of the judge’s family,* or use his or her position to gain deferential*
35 *treatment when stopped by a police officer for a traffic offense.*

36 *As to the use of a judge’s title to identify a judge’s role in the presentation*
37 *and creation of legal education programs and materials, see Commentary to*
38 *Canon 4B. In contracts for publication of a judge’s writings, a judge should*
39 *retain control over the advertising, to the extent feasible, to avoid exploitation of*
40 *the judge’s office.*

41 *This canon does not afford a judge a privilege against testifying in response*
42 *to any official summons.*

1 See also Canons 3D(1) and 3D(2) concerning a judge’s obligation to take
2 appropriate corrective action regarding other judges who violate any provision of
3 the Code of Judicial Ethics and attorneys who violate any provision of the Rules of
4 Professional Conduct.

5 Except as set forth in Canon 2B(3)(a), this canon does not preclude
6 consultations among judges. Additional limitations on such consultations among
7 judges are set forth in Canon 3B(7)(a).

8 9 **C. Membership in Organizations**

10
11 A judge shall not hold membership in any organization that practices invidious
12 discrimination on the basis of race, sex, gender, religion, national origin, ethnicity,
13 or sexual orientation.

14
15 This canon does not apply to membership in a religious organization ~~or an official~~
16 ~~military organization of the United States. So long as membership does not~~
17 ~~violate Canon 4A, this canon does not bar membership in a nonprofit youth~~
18 ~~organization.~~

19 20 *ADVISORY COMMITTEE COMMENTARY: Canon 2C*

21 Membership ~~of~~ by a judge in an organization that practices invidious
22 discrimination on the basis of race, sex, gender, religion, national origin,
23 ethnicity, or sexual orientation gives rise to a perception that the judge’s
24 impartiality* is impaired. ~~This canon exempts membership in religious and~~
25 ~~military organizations and, subject to Canon 4A, does not bar membership in~~
26 ~~nonprofit youth organizations. These exemptions are necessary because~~
27 ~~membership in United States military organizations is subject to current valid~~
28 ~~military regulations, and religious beliefs are constitutionally protected.~~
29 ~~Membership in nonprofit youth organizations is not barred to accommodate~~
30 ~~individual rights of intimate association and free expression. See also Canon 3E~~
31 ~~and its Commentary concerning disqualification and disclosure. The code~~
32 ~~prohibits such membership by judges to preserve the fairness, impartiality,*~~
33 ~~independence,* and honor of the judiciary, to treat all parties equally under the~~
34 ~~law,* and to avoid impropriety* and the appearance of impropriety.*~~

35 Previously, Canon 2C contained exceptions to this prohibition for
36 membership in religious organizations, membership in an official military
37 organization of the United States and, so long as membership did not violate
38 Canon 4A, membership in a nonprofit youth organization. The exceptions for
39 membership in an official military organization of the United States and nonprofit
40 youth organizations have been eliminated as exceptions to the canon. The
41 exception for membership in religious organizations has been preserved.

1 *Canon 2C refers to the current practices of the organization. Whether an*
2 *organization practices invidious discrimination is often a complex question to*
3 *which judges should be sensitive. The answer cannot be determined from a mere*
4 *examination of an organization’s current membership rolls, but rather depends on*
5 *how the organization selects members and other relevant factors, such as whether*
6 *the organization is dedicated to the preservation of religious, ethnic, or cultural*
7 *values of legitimate common interest to its members, or whether it is in fact and*
8 *effect an intimate, purely private organization whose membership limitations*
9 *could not be constitutionally prohibited. Absent such factors, an organization is*
10 *generally said to discriminate invidiously if it arbitrarily excludes from*
11 *membership on the basis of race, religion, sex, gender, national origin, ethnicity,*
12 *or sexual orientation persons who would otherwise be admitted to membership.*

13 *Although Canon 2C relates only to membership in organizations that*
14 *invidiously discriminate on the basis of race, sex, gender, religion, national origin,*
15 *ethnicity, or sexual orientation, a judge’s membership in an organization that*
16 *engages in any discriminatory membership practices prohibited by law* also*
17 *violates Canon 2 and Canon 2A and gives the appearance of impropriety.* In*
18 *addition, it would be a violation of Canon 2 and Canon 2A for a judge to arrange*
19 *a meeting at a club that the judge knows* practices such invidious discrimination*
20 *or for the judge to use such a club regularly. Moreover, public manifestation by a*
21 *judge of the judge’s knowing* approval of invidious discrimination on any basis*
22 *gives the appearance of impropriety* under Canon 2 and diminishes public*
23 *confidence in the integrity* and impartiality* of the judiciary in violation of*
24 *Canon 2A.*

CANON 3

**A JUDGE SHALL PERFORM THE DUTIES OF JUDICIAL
OFFICE IMPARTIALLY,* COMPETENTLY, AND
DILIGENTLY**

A. Judicial Duties in General

All of the judicial duties prescribed by law* shall take precedence over all other activities of every judge. In the performance of these duties, the following standards apply.

B. Adjudicative Responsibilities

(1) A judge shall hear and decide all matters assigned to the judge except those in which he or she is disqualified.

ADVISORY COMMITTEE COMMENTARY: Canon 3B(1)

Canon 3B(1) is based upon the affirmative obligation contained in Code of Civil Procedure section 170.

(2) A judge shall be faithful to the law* regardless of partisan interests, public clamor, or fear of criticism, and shall maintain professional competence in the law.*

ADVISORY COMMITTEE COMMENTARY: Canon 3B(2)

Competence in the performance of judicial duties requires the legal knowledge, skill, thoroughness, and preparation reasonably necessary to perform a judge's responsibilities of judicial office. Canon 1 provides that an incorrect legal ruling is not itself a violation of this code.*

(3) A judge shall require* order and decorum in proceedings before the judge.

(4) A judge shall be patient, dignified, and courteous to litigants, jurors, witnesses, lawyers, and others with whom the judge deals in an official capacity, and shall require* similar conduct of lawyers and of all staff and court personnel under the judge's direction and control.

(5) A judge shall perform judicial duties without bias or prejudice. A judge shall not, in the performance of judicial duties, engage in speech, gestures, or other conduct that would reasonably be perceived as (a) bias or prejudice, including but not limited to bias or prejudice based upon race, sex, gender,

1 religion, national origin, ethnicity, disability, age, sexual orientation, marital
2 status, socioeconomic status, or political affiliation, or (b) sexual harassment.

3
4 (6) A judge shall require* lawyers in proceedings before the judge to refrain
5 from manifesting, by words or conduct, bias or prejudice based upon race, sex,
6 gender, religion, national origin, ethnicity, disability, age, sexual orientation,
7 marital status, socioeconomic status, or political affiliation against parties,
8 witnesses, counsel, or others. This canon does not preclude legitimate
9 advocacy when race, sex, gender, religion, national origin, ethnicity, disability,
10 age, sexual orientation, marital status, socioeconomic status, political
11 affiliation, or other similar factors are issues in the proceeding.
12

13 (7) A judge shall accord to every person who has a legal interest in a
14 proceeding, or that person's lawyer, the full right to be heard according to
15 law.* Unless otherwise authorized by law,* a judge shall not independently
16 investigate facts in a proceeding and shall consider only the evidence presented
17 or facts that may be properly judicially noticed. This prohibition extends to
18 information available in all media, including electronic. A judge shall not
19 initiate, permit, or consider ex parte communications, that is, any
20 communications to or from the judge outside the presence of the parties
21 concerning a pending* or impending* proceeding, and shall make reasonable
22 efforts to avoid such communications, except as follows:
23

24 (a) Except as stated below, a judge may consult with other judges. A judge
25 shall not engage in discussions about a case with a judge who has
26 previously been disqualified from hearing that matter; likewise, a judge
27 who knows* he or she is or would be disqualified from hearing a case shall
28 not discuss that matter with the judge assigned to the case. A judge also
29 shall not engage in discussions with a judge who may participate in
30 appellate review of the matter, nor shall a judge who may participate in
31 appellate review of a matter engage in discussions with the judge presiding
32 over the case.
33

34 A judge may consult with court personnel or others authorized by law,* as
35 long as the communication relates to that person's duty to aid the judge in
36 carrying out the judge's adjudicative responsibilities.
37

38 In any discussion with judges or court personnel, a judge shall make
39 reasonable efforts to avoid receiving factual information that is not part of
40 the record or an evaluation of that factual information. In such
41 consultations, the judge shall not abrogate the responsibility personally to
42 decide the matter.

1 For purposes of Canon 3B(7)(a), “court personnel” includes bailiffs, court
2 reporters, court externs, research attorneys, courtroom clerks, and other
3 employees of the court, but does not include the lawyers in a proceeding
4 before a judge, persons who are appointed by the court to serve in some
5 capacity in a proceeding, or employees of other governmental entities, such
6 as lawyers, social workers, or representatives of the probation department.
7

8 *ADVISORY COMMITTEE COMMENTARY: Canon 3B(7)(a)*

9 *Regarding communications between a judge presiding over a matter and a*
10 *judge of a court with appellate jurisdiction over that matter, see Government Code*
11 *section 68070.5.*

12 *Though a judge may have ex parte discussions with appropriate court*
13 *personnel, a judge may do so only on matters that are within the proper*
14 *performance of that person’s duties. For example, a bailiff may inform the judge*
15 *of a threat to the judge or to the safety and security of the courtroom, but may not*
16 *tell the judge ex parte that a defendant was overheard making an incriminating*
17 *statement during a court recess. A clerk may point out to the judge a technical*
18 *defect in a proposed sentence, but may not suggest to the judge that a defendant*
19 *deserves a certain sentence.*

20 *A sentencing judge may not consult ex parte with a representative of the*
21 *probation department about a matter pending before the sentencing judge.*

22 *This canon prohibits a judge from discussing a case with another judge*
23 *who has already been disqualified. A judge also must be careful not to talk to a*
24 *judge whom the judge knows* would be disqualified from hearing the matter.*
25

26 (b) A judge may initiate, permit, or consider ex parte communications,
27 where circumstances require, for scheduling, administrative purposes, or
28 emergencies that do not deal with substantive matters provided:
29

30 (i) the judge reasonably believes that no party will gain a procedural or
31 tactical advantage as a result of the ex parte communication, and
32

33 (ii) the judge makes provision promptly to notify all other parties of the
34 substance of the ex parte communication and allows an opportunity to
35 respond.
36

37 (c) A judge may initiate, permit, or consider any ex parte communication
38 when expressly authorized by law* to do so or when authorized to do so by
39 stipulation of the parties.
40

41 (d) If a judge receives an unauthorized ex parte communication, the judge
42 shall make provision promptly to notify the parties of the substance of the
43 communication and provide the parties with an opportunity to respond.

1 *ADVISORY COMMITTEE COMMENTARY: Canon 3B(7)*

2 *An exception allowing a judge, under certain circumstances, to obtain the*
3 *advice of a disinterested expert on the law* has been eliminated from Canon*
4 *3B(7) because consulting with legal experts outside the presence of the parties is*
5 *inconsistent with the core tenets of the adversarial system. Therefore, a judge*
6 *shall not consult with legal experts outside the presence of the parties. Evidence*
7 *Code section 730 provides for the appointment of an expert if a judge determines*
8 *that expert testimony is necessary. A court may also invite the filing of amicus*
9 *curiae briefs.*

10 *An exception allowing a judge to confer with the parties separately in an*
11 *effort to settle the matter before the judge has been moved from this canon to*
12 *Canon 3B(12).*

13 *This canon does not prohibit court personnel from communicating*
14 *scheduling information or carrying out similar administrative functions.*

15 *A judge is statutorily authorized to investigate and consult witnesses*
16 *informally in small claims cases. Code of Civil Procedure section 116.520,*
17 *subdivision (c).*

18
19 (8) A judge shall dispose of all judicial matters fairly, promptly, and
20 efficiently. A judge shall manage the courtroom in a manner that provides all
21 litigants the opportunity to have their matters fairly adjudicated in accordance
22 with the law.*

23
24 *ADVISORY COMMITTEE COMMENTARY: Canon 3B(8)*

25 *The obligation of a judge to dispose of matters promptly and efficiently*
26 *must not take precedence over the judge's obligation to dispose of the matters*
27 *fairly and with patience. For example, when a litigant is self-represented, a judge*
28 *has the discretion to take reasonable steps, appropriate under the circumstances*
29 *and consistent with the law* and the canons, to enable the litigant to be heard. A*
30 *judge should monitor and supervise cases so as to reduce or eliminate dilatory*
31 *practices, avoidable delays, and unnecessary costs.*

32 *Prompt disposition of the court's business requires a judge to devote*
33 *adequate time to judicial duties, to be punctual in attending court and expeditious*
34 *in determining matters under submission, and to require* that court officials,*
35 *litigants, and their lawyers cooperate with the judge to those ends.*

36
37 (9) A judge shall not make any public comment about a pending* or
38 impending* proceeding in any court, and shall not make any nonpublic
39 comment that might substantially interfere with a fair trial or hearing. The
40 judge shall require* similar abstention on the part of staff and court personnel
41 subject to the judge's direction and control. This canon does not prohibit
42 judges from making statements in the course of their official duties or from
43 explaining the procedures of the court, and does not apply to proceedings in

1 which the judge is a litigant in a personal capacity. Other than cases in which
2 the judge has personally participated, this canon does not prohibit judges from
3 discussing, in legal education programs and materials, cases and issues pending
4 in appellate courts. This educational exemption does not apply to cases over
5 which the judge has presided or to comments or discussions that might
6 interfere with a fair hearing of the case.

7
8 *ADVISORY COMMITTEE COMMENTARY: Canon 3B(9)*

9 *The requirement that judges abstain from public comment regarding a*
10 *pending* or impending* proceeding continues during any appellate process and*
11 *until final disposition. A judge shall make reasonable efforts to ascertain whether*
12 *a case is pending* or impending* before commenting on it. This canon does not*
13 *prohibit a judge from commenting on proceedings in which the judge is a litigant*
14 *in a personal capacity, but in cases such as a writ of mandamus where the judge is*
15 *a litigant in an official capacity, the judge must not comment publicly.*

16 *“Making statements in the course of their official duties” and “explaining*
17 *the procedures of the court” include providing an official transcript or partial*
18 *official transcript of a court proceeding open to the public and explaining the*
19 *rules of court and procedures related to a decision rendered by a judge.*

20 *Although this canon does not prohibit a judge from commenting on cases*
21 *that are not pending* or impending* in any court, a judge must be cognizant of*
22 *the general prohibition in Canon 2 against conduct involving impropriety* or the*
23 *appearance of impropriety.* A judge should also be aware of the mandate in*
24 *Canon 2A that a judge must act at all times in a manner that promotes public*
25 *confidence in the integrity* and impartiality* of the judiciary. In addition, when*
26 *commenting on a case pursuant to this canon, a judge must maintain the high*
27 *standards of conduct, as set forth in Canon 1.*

28 *Although a judge is permitted to make nonpublic comments about pending**
29 *or impending* cases that will not substantially interfere with a fair trial or*
30 *hearing, the judge should be cautious when making any such comments. There is*
31 *always a risk that a comment can be misheard, misinterpreted, or repeated. A*
32 *judge making such a comment must be mindful of the judge’s obligation under*
33 *Canon 2A to act at all times in a manner that promotes public confidence in the*
34 *integrity* and impartiality* of the judiciary. When a judge makes a nonpublic*
35 *comment about a case pending* before that judge, the judge must keep an open*
36 *mind and not form an opinion prematurely or create the appearance of having*
37 *formed an opinion prematurely.*

38
39 (10) A judge shall not commend or criticize jurors for their verdict other than
40 in a court order or opinion in a proceeding, but may express appreciation to
41 jurors for their service to the judicial system and the community.
42
43

1 *ADVISORY COMMITTEE COMMENTARY: Canon 3B(10)*

2 *Commending or criticizing jurors for their verdict may imply a judicial*
3 *expectation in future cases and may impair a juror's ability to be fair and*
4 *impartial* in a subsequent case.*

5
6 (11) A judge shall not disclose or use, for any purpose unrelated to judicial
7 duties, nonpublic information* acquired in a judicial capacity.

8
9 (12) A judge may participate in settlement conferences or in other efforts to
10 resolve matters in dispute, including matters pending before the judge. A
11 judge may, with the express consent of the parties or their lawyers, confer
12 separately with the parties and/or their lawyers during such resolution efforts.
13 At all times during such resolution efforts, a judge shall remain impartial* and
14 shall not engage in conduct that may reasonably be perceived as coercive.

15
16 *ADVISORY COMMITTEE COMMENTARY: Canon 3B(12)*

17 *While the judge plays an important role in overseeing efforts to resolve*
18 *disputes, including conducting settlement discussions, a judge should be careful*
19 *that efforts to resolve disputes do not undermine any party's right to be heard*
20 *according to law.**

21 *The judge should keep in mind the effect that the judge's participation in*
22 *dispute resolution efforts may have on the judge's impartiality* or the appearance*
23 *of impartiality* if the case remains with the judge for trial after resolution efforts*
24 *are unsuccessful. Accordingly, a judge may wish to consider whether: (1) the*
25 *parties or their counsel have requested or objected to the participation by the trial*
26 *judge in such discussions; (2) the parties and their counsel are relatively*
27 *sophisticated in legal matters or the particular legal issues involved in the case;*
28 *(3) a party is unrepresented; (4) the case will be tried by the judge or a jury; (5)*
29 *the parties will participate with their counsel in settlement discussions and, if so,*
30 *the effect of personal contact between the judge and parties; and (6) it is*
31 *appropriate during the settlement conference for the judge to express an opinion*
32 *on the merits or worth of the case or express an opinion on the legal issues that*
33 *the judge may later have to rule upon.*

34 *If a judge assigned to preside over a trial believes participation in*
35 *resolution efforts could influence the judge's decisionmaking during trial, the*
36 *judge may decline to engage in such efforts.*

37 *Where dispute resolution efforts of any type are unsuccessful, the judge*
38 *should consider whether, due to events that occurred during the resolution efforts,*
39 *the judge may be disqualified under the law* from presiding over the trial. See,*
40 *e.g., Code of Civil Procedure section 170.1, subdivision (a)(6)(A).*

1 **C. Administrative Responsibilities**
2

3 (1) A judge shall diligently discharge the judge’s administrative
4 responsibilities impartially,* on the basis of merit, without bias or prejudice,
5 free of conflict of interest, and in a manner that promotes public confidence in
6 the integrity* of the judiciary. A judge shall not, in the performance of
7 administrative duties, engage in speech, gestures, or other conduct that would
8 reasonably be perceived as (a) bias or prejudice, including but not limited to
9 bias or prejudice based upon race, sex, gender, religion, national origin,
10 ethnicity, disability, age, sexual orientation, marital status, socioeconomic
11 status, or political affiliation, or (b) sexual harassment.
12

13 *ADVISORY COMMITTEE COMMENTARY: Canon 3C(1)*

14 *In considering what constitutes a conflict of interest under this canon, a*
15 *judge should be informed by Code of Civil Procedure section 170.1, subdivision*
16 *(a)(6).*
17

18 (2) A judge shall maintain professional competence in judicial administration,
19 and shall cooperate with other judges and court officials in the administration
20 of court business.
21

22 (3) A judge shall require* staff and court personnel under the judge’s direction
23 and control to observe appropriate standards of conduct and to refrain from
24 manifesting bias or prejudice based upon race, sex, gender, religion, national
25 origin, ethnicity, disability, age, sexual orientation, marital status,
26 socioeconomic status, or political affiliation in the performance of their official
27 duties.
28

29 (4) A judge with supervisory authority for the judicial performance of other
30 judges shall take reasonable measures to ensure the prompt disposition of
31 matters before them and the proper performance of their other judicial
32 responsibilities.
33

34 (5) A judge shall not make unnecessary court appointments. A judge shall
35 exercise the power of appointment impartially,* on the basis of merit, without
36 bias or prejudice, free of conflict of interest, and in a manner that promotes
37 public confidence in the integrity* of the judiciary. A judge shall avoid
38 nepotism and favoritism. A judge shall not approve compensation of
39 appointees above the reasonable value of services rendered.
40

41 *ADVISORY COMMITTEE COMMENTARY: Canon 3C(5)*

42 *Appointees of a judge include assigned counsel and officials such as*
43 *referees, commissioners, special masters, receivers, and guardians. Consent by*

1 *the parties to an appointment or an award of compensation does not relieve the*
2 *judge of the obligation prescribed by Canon 3C(5).*

4 **D. Disciplinary Responsibilities**

6 (1) Whenever a judge has reliable information that another judge has violated
7 any provision of the Code of Judicial Ethics, that judge shall take appropriate
8 corrective action, which may include reporting the violation to the appropriate
9 authority. (See Commentary to Canon 3D(2).)

11 (2) Whenever a judge has personal knowledge,* or concludes in a judicial
12 decision, that a lawyer has committed misconduct or has violated any provision
13 of the Rules of Professional Conduct, the judge shall take appropriate
14 corrective action, which may include reporting the violation to the appropriate
15 authority.

17 *ADVISORY COMMITTEE COMMENTARY: Canons 3D(1) and 3D(2)*

18 *Appropriate corrective action could include direct communication with the*
19 *judge or lawyer who has committed the violation, other direct action, such as a*
20 *confidential referral to a judicial or lawyer assistance program, or a report of the*
21 *violation to the presiding judge, appropriate authority, or other agency or body.*
22 *Judges should note that in addition to the action required by Canon 3D(2),*
23 *California law imposes additional mandatory reporting requirements to the State*
24 *Bar on judges regarding lawyer misconduct. See Business and Professions Code*
25 *sections 6086.7 and 6086.8, subdivision (a), and California Rules of Court, rules*
26 *10.609 and 10.1017.*

27 *“Appropriate authority” means the authority with responsibility for*
28 *initiation of the disciplinary process with respect to a violation to be reported.*

30 (3) A judge shall promptly report in writing to the Commission on Judicial
31 Performance when he or she is charged in court by misdemeanor citation,
32 prosecutorial complaint, information, or indictment with any crime in the
33 United States as specified below. Crimes that must be reported are: (1) all
34 crimes, other than those that would be considered misdemeanors not involving
35 moral turpitude or infractions under California law; and (2) all misdemeanors
36 involving violence (including assaults), the use or possession of controlled
37 substances, the misuse of prescriptions, or the personal use or furnishing of
38 alcohol. A judge also shall promptly report in writing upon conviction of such
39 crimes.

41 If the judge is a retired judge serving in the Assigned Judges Program, he or
42 she shall promptly report such information in writing to the Chief Justice rather
43 than to the Commission on Judicial Performance. If the judge is a subordinate

1 judicial officer,* he or she shall promptly report such information in writing to
2 both the presiding judge of the court in which the subordinate judicial officer*
3 sits and the Commission on Judicial Performance.
4

5 (4) A judge shall cooperate with judicial and lawyer disciplinary agencies.
6

7 *ADVISORY COMMITTEE COMMENTARY: Canons 3D(3) and 3D(4)*

8 *See Government Code section 68725, which requires judges to cooperate*
9 *with and give reasonable assistance and information to the Commission on*
10 *Judicial Performance, and rule 104 of the Rules of the Commission on Judicial*
11 *Performance, which requires a respondent judge to cooperate with the*
12 *commission in all proceedings in accordance with section 68725.*
13

14 (5) A judge shall not retaliate, directly or indirectly, against a person known*
15 or suspected to have assisted or cooperated with an investigation of a judge or
16 a lawyer.
17

18 **E. Disqualification and Disclosure**
19

20 (1) A judge shall disqualify himself or herself in any proceeding in which
21 disqualification is required by law.*
22

23 (2) In all trial court proceedings, a judge shall disclose on the record as
24 follows:
25

26 (a) Information relevant to disqualification
27

28 A judge shall disclose information that is reasonably relevant to the
29 question of disqualification under Code of Civil Procedure section 170.1,
30 even if the judge believes there is no actual basis for disqualification.
31

32 (b) Campaign contributions in trial court elections
33

34 (i) Information required to be disclosed
35

36 In any matter before a judge who is or was a candidate for judicial
37 office* in a trial court election, the judge shall disclose any
38 contribution or loan of \$100 or more from a party, individual lawyer, or
39 law office or firm in that matter as required by this canon, even if the
40 amount of the contribution or loan would not require disqualification.
41 Such disclosure shall consist of the name of the contributor or lender,
42 the amount of each contribution or loan, the cumulative amount of the

1 contributor's contributions or lender's loans, and the date of each
2 contribution or loan. The judge shall make reasonable efforts to obtain
3 current information regarding contributions or loans received by his or
4 her campaign and shall disclose the required information on the record.
5

6 (ii) Manner of disclosure
7

8 The judge shall ensure that the required information is conveyed on the
9 record to the parties and lawyers appearing in the matter before the
10 judge. The judge has discretion to select the manner of disclosure, but
11 the manner used shall avoid the appearance that the judge is soliciting
12 campaign contributions.
13

14 (iii) Timing of disclosure
15

16 Disclosure shall be made at the earliest reasonable opportunity after
17 receiving each contribution or loan. The duty commences no later than
18 one week after receipt of the first contribution or loan, and continues
19 for a period of two years after the candidate takes the oath of office, or
20 two years from the date of the contribution or loan, whichever event is
21 later.
22

23 *ADVISORY COMMITTEE COMMENTARY: Canon 3E(2)(b)*

24 *Code of Civil Procedure section 170.1, subdivision (a)(9)(C) requires a*
25 *judge to "disclose any contribution from a party or lawyer in a matter that is*
26 *before the court that is required to be reported under subdivision (f) of Section*
27 *84211 of the Government Code, even if the amount would not require*
28 *disqualification under this paragraph." This statute further provides that the*
29 *"manner of disclosure shall be the same as that provided in Canon 3E of the Code*
30 *of Judicial Ethics." Canon 3E(2)(b) sets forth the information the judge must*
31 *disclose, the manner for making such disclosure, and the timing thereof.*

32 *"Contribution" includes monetary and in-kind contributions. See Cal.*
33 *Code Regs., tit. 2, § 18215, subd. (b)(3). See generally Government Code section*
34 *84211, subdivision (f).*

35 *Disclosure of campaign contributions is intended to provide parties and*
36 *lawyers appearing before a judge during and after a judicial campaign with easy*
37 *access to information about campaign contributions that may not require*
38 *disqualification but could be relevant to the question of disqualification of the*
39 *judge. The judge is responsible for ensuring that the disclosure is conveyed to the*
40 *parties and lawyers appearing in the matter. The canon provides that the judge*
41 *has discretion to select the manner of making the disclosure. The appropriate*
42 *manner of disclosure will depend on whether all of the parties and lawyers are*

1 present in court, whether it is more efficient or practicable given the court's
2 calendar to make a written disclosure, and other relevant circumstances that may
3 affect the ability of the parties and lawyers to access the required information.
4 The following alternatives for disclosure are non-exclusive. If all parties are
5 present in court, the judge may conclude that the most effective and efficient
6 manner of providing disclosure is to state orally the required information on the
7 record in open court. In the alternative, again if all parties are present in court, a
8 judge may determine that it is more appropriate to state orally on the record in
9 open court that parties and lawyers may obtain the required information at an
10 easily accessible location in the courthouse, and provide an opportunity for the
11 parties and lawyers to review the available information. Another alternative,
12 particularly if all or some parties are not present in court, is that the judge may
13 disclose the campaign contribution in a written minute order or in the official
14 court minutes and notify the parties and the lawyers of the written disclosure. See
15 California Supreme Court Committee on Judicial Ethics Opinions, CJEO Formal
16 Opinion No. 2013-002, pp. 7-8. If a party appearing in a matter before the judge
17 is represented by a lawyer, it is sufficient to make the disclosure to the lawyer.

18 In addition to the disclosure obligations set forth in Canon 3E(2)(b), a
19 judge must, pursuant to Canon 3E(2)(a), disclose on the record any other
20 information that may be relevant to the question of disqualification. As examples,
21 such an obligation may arise as a result of contributions or loans of which the
22 judge is aware made by a party, lawyer, or law office or firm appearing before the
23 judge to a third party in support of the judge or in opposition to the judge's
24 opponent; a party, lawyer, or law office or firm's relationship to the judge or role
25 in the campaign; or the aggregate contributions or loans from lawyers in one law
26 office or firm.

27 Canon 3E(2)(b) does not eliminate the obligation of the judge to recuse
28 himself or herself where the nature of the contribution or loan, the extent of the
29 contributor's or lender's involvement in the judicial campaign, the relationship of
30 the contributor or lender, or other circumstance requires recusal under Code of
31 Civil Procedure section 170.1, and particularly section 170.1, subdivision
32 (a)(6)(A).

33
34 (3) A judge shall disqualify himself or herself in accordance with the
35 following:

36
37 (a) Statements that commit the judge to a particular result

38
39 A judge is disqualified if the judge, while a judge or candidate for judicial
40 office,* made a statement, other than in a court proceeding, judicial
41 decision, or opinion, that a person aware of the facts might reasonably
42 believe commits the judge to reach a particular result or rule in a particular
43 way in a proceeding.

1 (b) Bond ownership
2

3 Ownership of a corporate bond issued by a party to a proceeding and
4 having a fair market value exceeding \$1,500 is disqualifying. Ownership
5 of a government bond issued by a party to a proceeding is disqualifying
6 only if the outcome of the proceeding could substantially affect the value of
7 the judge's bond. Ownership in a mutual or common investment fund that
8 holds bonds is not a disqualifying financial interest.
9

10 *ADVISORY COMMITTEE COMMENTARY: Canon 3E(3)(b)*

11 *The distinction between corporate and government bonds is consistent with*
12 *the Political Reform Act (see Gov. Code, § 82034), which requires disclosure of*
13 *corporate bonds, but not government bonds. Canon 3E(3) is intended to assist*
14 *judges in complying with Code of Civil Procedure section 170.1, subdivision*
15 *(a)(3) and Canon 3E(5)(d).*
16

17 (4) An appellate justice shall disqualify himself or herself in any proceeding if
18 for any reason:

19 (a) the justice believes his or her recusal would further the interests of
20 justice; or
21

22 (b) the justice substantially doubts his or her capacity to be impartial;* or
23

24 (c) the circumstances are such that a reasonable person aware of the facts
25 would doubt the justice's ability to be impartial.*
26

27 (5) Disqualification of an appellate justice is also required in the following
28 instances:
29

30 (a) The appellate justice has appeared or otherwise served as a lawyer in the
31 pending* proceeding, or has appeared or served as a lawyer in any other
32 proceeding involving any of the same parties if that other proceeding
33 related to the same contested issues of fact and law as the present
34 proceeding, or has given advice to any party in the present proceeding upon
35 any issue involved in the proceeding.
36

37 *ADVISORY COMMITTEE COMMENTARY: Canon 3E(5)(a)*

38 *Canon 3E(5)(a) is consistent with Code of Civil Procedure section 170.1,*
39 *subdivision (a)(2), which addresses disqualification of trial court judges based on*
40 *prior representation of a party in the proceeding.*
41
42

1 (b) Within the last two years, (i) a party to the proceeding, or an officer,
2 director or trustee thereof, either was a client of the justice when the justice
3 was engaged in the private practice of law or was a client of a lawyer with
4 whom the justice was associated in the private practice of law; or (ii) a
5 lawyer in the proceeding was associated with the justice in the private
6 practice of law.

7
8 (c) The appellate justice represented a public officer or entity and
9 personally advised or in any way represented that officer or entity
10 concerning the factual or legal issues in the present proceeding in which the
11 public officer or entity now appears.

12
13 (d) The appellate justice, his or her spouse or registered domestic partner,*
14 or a minor child residing in the household, has a financial interest or is
15 either a fiduciary* who has a financial interest in the proceeding, or is a
16 director, advisor, or other active participant in the affairs of a party. A
17 financial interest is defined as ownership of more than a 1 percent legal or
18 equitable interest in a party, or a legal or equitable interest in a party of a
19 fair market value exceeding \$1,500. Ownership in a mutual or common
20 investment fund that holds securities does not itself constitute a financial
21 interest; holding office in an educational, religious, charitable, service,* or
22 civic organization does not confer a financial interest in the organization's
23 securities; and a proprietary interest of a policyholder in a mutual insurance
24 company or mutual savings association or similar interest is not a financial
25 interest unless the outcome of the proceeding could substantially affect the
26 value of the interest. A justice shall make reasonable efforts to keep
27 informed about his or her personal and fiduciary* interests and those of his
28 or her spouse or registered domestic partner* and of minor children living
29 in the household.

30
31 (e)(i) The justice or his or her spouse or registered domestic partner,* or a
32 person within the third degree of relationship* to either of them, or the
33 spouse or registered domestic partner* thereof, is a party or an officer,
34 director, or trustee of a party to the proceeding, or

35
36 (ii) a lawyer or spouse or registered domestic partner* of a lawyer in the
37 proceeding is the spouse, registered domestic partner,* former spouse,
38 former registered domestic partner,* child, sibling, or parent of the
39 justice or of the justice's spouse or registered domestic partner,* or such
40 a person is associated in the private practice of law with a lawyer in the
41 proceeding.

1 (f) The justice
2

3 (i) served as the judge before whom the proceeding was tried or
4 heard in the lower court,
5

6 (ii) has personal knowledge* of disputed evidentiary facts
7 concerning the proceeding, or
8

9 (iii) has a personal bias or prejudice concerning a party or a party's
10 lawyer.
11

12 (g) A temporary or permanent physical impairment renders the justice
13 unable properly to perceive the evidence or conduct the proceedings.
14

15 (h) The justice has a current arrangement concerning prospective
16 employment or other compensated service as a dispute resolution neutral or
17 is participating in, or, within the last two years has participated in,
18 discussions regarding prospective employment or service as a dispute
19 resolution neutral, or has been engaged in such employment or service, and
20 any of the following applies:
21

22 (i) The arrangement is, or the prior employment or discussion was,
23 with a party to the proceeding;
24

25 (ii) The matter before the justice includes issues relating to the
26 enforcement of either an agreement to submit a dispute to an
27 alternative dispute resolution process or an award or other final
28 decision by a dispute resolution neutral;
29

30 (iii) The justice directs the parties to participate in an alternative
31 dispute resolution process in which the dispute resolution neutral will
32 be an individual or entity with whom the justice has the arrangement,
33 has previously been employed or served, or is discussing or has
34 discussed the employment or service; or
35

36 (iv) The justice will select a dispute resolution neutral or entity to
37 conduct an alternative dispute resolution process in the matter before
38 the justice, and among those available for selection is an individual or
39 entity with whom the justice has the arrangement, with whom the
40 justice has previously been employed or served, or with whom the
41 justice is discussing or has discussed the employment or service.
42

1 For purposes of Canon 3E(5)(h), “participating in discussions” or “has
2 participated in discussions” means that the justice (i) solicited or otherwise
3 indicated an interest in accepting or negotiating possible employment or
4 service as an alternative dispute resolution neutral, or (ii) responded to an
5 unsolicited statement regarding, or an offer of, such employment or service
6 by expressing an interest in that employment or service, making any inquiry
7 regarding the employment or service, or encouraging the person making the
8 statement or offer to provide additional information about that possible
9 employment or service. If a justice’s response to an unsolicited statement
10 regarding a question about, or offer of, prospective employment or other
11 compensated service as a dispute resolution neutral is limited to responding
12 negatively, declining the offer, or declining to discuss such employment or
13 service, that response does not constitute participating in discussions.
14

15 For purposes of Canon 3E(5)(h), “party” includes the parent, subsidiary, or
16 other legal affiliate of any entity that is a party and is involved in the
17 transaction, contract, or facts that gave rise to the issues subject to the
18 proceeding.
19

20 For purposes of Canon 3E(5)(h), “dispute resolution neutral” means an
21 arbitrator, a mediator, a temporary judge* appointed under article VI,
22 section 21 of the California Constitution, a referee appointed under Code of
23 Civil Procedure section 638 or 639, a special master, a neutral evaluator, a
24 settlement officer, or a settlement facilitator.
25

26 (i) The justice’s spouse or registered domestic partner* a person within the
27 third degree of relationship* to the justice or his or her spouse or registered
28 domestic partner,* or the person’s spouse or registered domestic partner,*
29 was a witness in the proceeding.
30

31 (j) The justice has received a campaign contribution of \$5,000 or more
32 from a party or lawyer in a matter that is before the court, and either of the
33 following applies:
34

35 (i) The contribution was received in support of the justice’s last
36 election, if the last election was within the last six years; or
37

38 (ii) The contribution was received in anticipation of an upcoming
39 election.
40

41 Notwithstanding Canon 3E(5)(j), a justice shall disqualify himself or herself
42 based on a contribution of a lesser amount if required by Canon 3E(4).
43

1 The disqualification required under Canon 3E(5)(j) may be waived if all parties
2 that did not make the contribution agree to waive the disqualification.

3
4 *ADVISORY COMMITTEE COMMENTARY: Canon 3E*

5 *Canon 3E(1) sets forth the general duty to disqualify applicable to a judge*
6 *of any court. Sources for determining when recusal or disqualification is*
7 *appropriate may include the applicable provisions of the Code of Civil Procedure,*
8 *other provisions of the Code of Judicial Ethics, the Code of Conduct for United*
9 *States Judges, the American Bar Association’s Model Code of Judicial Conduct,*
10 *and related case law.*

11 *The decision whether to disclose information under Canon 3E(2) is a*
12 *decision based on the facts of the case before the judge. A judge is required to*
13 *disclose only information that is related to the grounds for disqualification set*
14 *forth in Code of Civil Procedure section 170.1.*

15 *Canon 3E(4) sets forth the general standards for recusal of an appellate*
16 *justice. The term “appellate justice” includes justices of both the Courts of*
17 *Appeal and the Supreme Court. Generally, the provisions concerning*
18 *disqualification of an appellate justice are intended to assist justices in*
19 *determining whether recusal is appropriate and to inform the public why recusal*
20 *may occur.*

21 *The rule of necessity may override the rule of disqualification. For*
22 *example, a judge might be required to participate in judicial review of a judicial*
23 *salary statute, or might be the only judge available in a matter requiring judicial*
24 *action, such as a hearing on probable cause or a temporary restraining order. In*
25 *the latter case, the judge must promptly disclose on the record the basis for*
26 *possible disqualification and use reasonable efforts to transfer the matter to*
27 *another judge as soon as practicable.*

28 *In some instances, membership in certain organizations may have the*
29 *potential to give an appearance of partiality, although membership in the*
30 *organization generally may not be barred by Canon 2C, Canon 4, or any other*
31 *specific canon. A judge holding membership in an organization should disqualify*
32 *himself or herself whenever doing so would be appropriate in accordance with*
33 *Canon 3E(1), 3E(4), or 3E(5) or statutory requirements. In addition, in some*
34 *circumstances, the parties or their lawyers may consider a judge’s membership in*
35 *an organization relevant to the question of disqualification, even if the judge*
36 *believes there is no actual basis for disqualification. In accordance with this*
37 *canon, a judge should disclose to the parties his or her membership in an*
38 *organization, in any proceeding in which that information is reasonably relevant*
39 *to the question of disqualification under Code of Civil Procedure section 170.1,*
40 *even if the judge concludes there is no actual basis for disqualification.*

CANON 4

3
4
5
6

**A JUDGE SHALL SO CONDUCT THE JUDGE’S QUASI-JUDICIAL AND
EXTRAJUDICIAL ACTIVITIES AS TO MINIMIZE THE RISK OF
CONFLICT WITH JUDICIAL OBLIGATIONS**

7
8

A. Extrajudicial Activities in General

9 A judge shall conduct all of the judge’s extrajudicial activities so that they do not

- 10
11 (1) cast reasonable doubt on the judge’s capacity to act impartially,*
12
13 (2) demean the judicial office,
14
15 (3) interfere with the proper performance of judicial duties, or
16
17 (4) lead to frequent disqualification of the judge.
18

19 *ADVISORY COMMITTEE COMMENTARY: Canon 4A*

20 *Complete separation of a judge from extrajudicial activities is neither*
21 *possible nor wise; a judge should not become isolated from the community in*
22 *which he or she lives. Expressions of bias or prejudice by a judge, even outside*
23 *the judge’s judicial activities, may cast reasonable doubt on the judge’s capacity*
24 *to act impartially* as a judge. Expressions that may do so include inappropriate*
25 *use of humor or the use of demeaning remarks. See Canon 2C and accompanying*
26 *Commentary.*

27 *Because a judge’s judicial duties take precedence over all other activities*
28 *(see Canon 3A), a judge must avoid extrajudicial activities that might reasonably*
29 *result in the judge being disqualified.*
30

31
32

B. Quasi-Judicial and Avocational Activities

33 A judge may speak, write, lecture, teach, and participate in activities concerning
34 legal and nonlegal subject matters, subject to the requirements of this code.
35

36 *ADVISORY COMMITTEE COMMENTARY: Canon 4B*

37 *As a judicial officer and person specially learned in the law,* a judge is in*
38 *a unique position to contribute to the improvement of the law, the legal system,*
39 *and the administration of justice,* including revision of substantive and*
40 *procedural law* and improvement of criminal and juvenile justice. To the extent*
41 *that time permits, a judge may do so, either independently or through a bar or*
42 *judicial association or other group dedicated to the improvement of the law.* It*
43 *may be necessary to promote legal education programs and materials by*

1 *identifying authors and speakers by judicial title. This is permissible, provided*
2 *such use of the judicial title does not contravene Canons 2A and 2B.*

3 *Judges are not precluded by their office from engaging in other social,*
4 *community, and intellectual endeavors so long as they do not interfere with the*
5 *obligations under Canons 2C and 4A.*

7 **C. Governmental, Civic, or Charitable Activities**

8
9 (1) A judge shall not appear at a public hearing or officially consult with an
10 executive or legislative body or public official except on matters concerning
11 the law, the legal system, or the administration of justice,* or in matters
12 involving the judge’s private economic or personal interests.

13 *ADVISORY COMMITTEE COMMENTARY: Canon 4C(1)*

14 *When deciding whether to appear at a public hearing or to consult with an*
15 *executive or legislative body or public official on matters concerning the law, the*
16 *legal system, or the administration of justice,* a judge should consider if that*
17 *conduct would violate any other provisions of this code. For a list of factors to*
18 *consider, see the explanation of “law, the legal system, or the administration of*
19 *justice” in the Terminology section. See also Canon 2B regarding the obligation*
20 *to avoid improper influence.*

21
22
23 (2) A judge shall not accept appointment to a governmental committee or
24 commission or other governmental position that is concerned with issues of
25 fact or policy on matters other than the improvement of the law, the legal
26 system, or the administration of justice.* A judge may, however, serve in the
27 military reserve or represent a national, state, or local government on
28 ceremonial occasions or in connection with historical, educational, or cultural
29 activities.

30 *ADVISORY COMMITTEE COMMENTARY: Canon 4C(2)*

31 *Canon 4C(2) prohibits a judge from accepting any governmental position*
32 *except one relating to the law, legal system, or administration of justice* as*
33 *authorized by Canon 4C(3). The appropriateness of accepting extrajudicial*
34 *assignments must be assessed in light of the demands on judicial resources and*
35 *the need to protect the courts from involvement in extrajudicial matters that may*
36 *prove to be controversial. Judges shall not accept governmental appointments*
37 *that are likely to interfere with the effectiveness and independence* of the*
38 *judiciary, or that constitute a public office within the meaning of article VI,*
39 *section 17 of the California Constitution.*

40
41 *Canon 4C(2) does not govern a judge’s service in a nongovernmental*
42 *position. See Canon 4C(3) permitting service by a judge with organizations*
43 *devoted to the improvement of the law, the legal system, or the administration of*

1 *justice* and with educational, religious, charitable, service,* or civic*
2 *organizations not conducted for profit. For example, service on the board of a*
3 *public educational institution, other than a law school, would be prohibited under*
4 *Canon 4C(2), but service on the board of a public law school or any private*
5 *educational institution would generally be permitted under Canon 4C(3).*
6

7 (3) Subject to the following limitations and the other requirements of this code,
8

9 (a) a judge may serve as an officer, director, trustee, or nonlegal advisor of
10 an organization or governmental agency devoted to the improvement of the
11 law, the legal system, or the administration of justice* provided that such
12 position does not constitute a public office within the meaning of article VI,
13 section 17 of the California Constitution;
14

15 (b) a judge may serve as an officer, director, trustee, or nonlegal advisor of
16 an educational, religious, charitable, service,* or civic organization not
17 conducted for profit;
18

19 *ADVISORY COMMITTEE COMMENTARY: Canon 4C(3)*

20 *Canon 4C(3) does not apply to a judge's service in a governmental position*
21 *unconnected with the improvement of the law, the legal system, or the*
22 *administration of justice.* See Canon 4C(2).*

23 *Canon 4C(3) uses the phrase, "Subject to the following limitations and the*
24 *other requirements of this code." As an example of the meaning of the phrase, a*
25 *judge permitted by Canon 4C(3) to serve on the board of a service organization**
26 *may be prohibited from such service by Canon 2C or 4A if the institution practices*
27 *invidious discrimination or if service on the board otherwise casts reasonable*
28 *doubt on the judge's capacity to act impartially* as a judge.*

29 *Service by a judge on behalf of a civic or charitable organization may be*
30 *governed by other provisions of Canon 4 in addition to Canon 4C. For example, a*
31 *judge is prohibited by Canon 4G from serving as a legal advisor to a civic or*
32 *charitable organization.*

33 *Service on the board of a homeowners association or a neighborhood*
34 *protective group is proper if it is related to the protection of the judge's own*
35 *economic interests. See Canons 4D(2) and 4D(4). See Canon 2B regarding the*
36 *obligation to avoid improper use of the prestige of a judge's office.*
37

38 (c) a judge shall not serve as an officer, director, trustee, or nonlegal
39 advisor if it is likely that the organization
40

41 (i) will be engaged in judicial proceedings that would ordinarily come
42 before the judge, or
43

1 (ii) will be engaged frequently in adversary proceedings in the court of
2 which the judge is a member or in any court subject to the appellate
3 jurisdiction of the court of which the judge is a member.
4

5 *ADVISORY COMMITTEE COMMENTARY: Canon 4C(3)(c)*

6 *The changing nature of some organizations and of their relationship to the*
7 *law* makes it necessary for the judge regularly to reexamine the activities of each*
8 *organization with which the judge is affiliated to determine if it is proper for the*
9 *judge to continue the affiliation. Some organizations regularly engage in*
10 *litigation to achieve their goals or fulfill their purposes. Judges should avoid a*
11 *leadership role in such organizations as it could compromise the appearance of*
12 *impartiality.**

13
14 (d) a judge as an officer, director, trustee, nonlegal advisor, or as a member
15 or otherwise
16

17 (i) may assist such an organization in planning fundraising and may
18 participate in the management and investment of the organization's
19 funds. However, a judge shall not personally participate in the
20 solicitation of funds or other fundraising activities, except that a judge
21 may privately solicit funds for such an organization from members of
22 the judge's family* or from other judges (excluding court
23 commissioners, referees, retired judges, court-appointed arbitrators,
24 hearing officers, and temporary judges*);
25

26 (ii) may make recommendations to public and private fund-granting
27 organizations on projects and programs concerning the law, the legal
28 system, or the administration of justice*;
29

30 (iii) shall not personally participate in membership solicitation if the
31 solicitation might reasonably be perceived as coercive or if the
32 membership solicitation is essentially a fundraising mechanism, except
33 as permitted in Canon 4C(3)(d)(i);
34

35 (iv) shall not permit the use of the prestige of his or her judicial office
36 for fundraising or membership solicitation but may be a speaker, guest
37 of honor, or recipient of an award for public or charitable service
38 provided the judge does not personally solicit funds and complies with
39 Canons 4A(1), (2), (3), and (4).
40

41 *ADVISORY COMMITTEE COMMENTARY: Canon 4C(3)(d)*

42 *A judge may solicit membership or endorse or encourage membership*
43 *efforts for an organization devoted to the improvement of the law, the legal*

1 system, or the administration of justice,* or a nonprofit educational, religious,
2 charitable, service,* or civic organization as long as the solicitation cannot
3 reasonably be perceived as coercive and is not essentially a fundraising
4 mechanism. Solicitation of funds or memberships for an organization similarly
5 involves the danger that the person solicited will feel obligated to respond
6 favorably if the solicitor is in a position of influence or control. A judge must not
7 engage in direct, individual solicitation of funds or memberships in person, in
8 writing, or by telephone except in the following cases: (1) a judge may solicit
9 other judges (excluding court commissioners, referees, retired judges, court-
10 appointed arbitrators, hearing officers, and temporary judges*) for funds or
11 memberships; (2) a judge may solicit other persons for membership in the
12 organizations described above if neither those persons nor persons with whom
13 they are affiliated are likely ever to appear before the court on which the judge
14 serves; and (3) a judge who is an officer of such an organization may send a
15 general membership solicitation mailing over the judge’s signature.

16 When deciding whether to make recommendations to public and private
17 fund-granting organizations on projects and programs concerning the law, the
18 legal system, or the administration of justice,* a judge should consider whether
19 that conduct would violate any other provision of this code. For a list of factors to
20 consider, see the explanation of “law, the legal system, or the administration of
21 justice” in the Terminology section.

22 Use of an organization’s letterhead for fundraising or membership
23 solicitation does not violate Canon 4C(3)(d), provided the letterhead lists only the
24 judge’s name and office or other position in the organization, and designates the
25 judge’s judicial title only if other persons whose names appear on the letterhead
26 have comparable designations. In addition, a judge must also make reasonable
27 efforts to ensure that the judge’s staff, court officials, and others subject to the
28 judge’s direction and control do not solicit funds on the judge’s behalf for any
29 purpose, charitable or otherwise.

30
31 (e) A judge may encourage lawyers to provide pro bono publico legal
32 services.

33
34 **ADVISORY COMMITTEE COMMENTARY: Canon 4C(3)(e)**

35 In addition to appointing lawyers to serve as counsel for indigent parties in
36 individual cases, a judge may promote broader access to justice by encouraging
37 lawyers to participate in pro bono publico legal services, as long as the judge
38 does not employ coercion or abuse the prestige of judicial office.

39
40 **D. Financial Activities**

41
42 (1) A judge shall not engage in financial and business dealings that
43

1 (a) may reasonably be perceived to exploit the judge’s judicial position, or

2
3 (b) involve the judge in frequent transactions or continuing business
4 relationships with lawyers or other persons likely to appear before the court
5 on which the judge serves.
6

7 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(1)*

8 *The Time for Compliance provision of this code (Canon 6F) postpones the*
9 *time for compliance with certain provisions of this canon in some cases. A judge*
10 *must avoid financial and business dealings that involve the judge in frequent*
11 *transactions or continuing business relationships with persons likely to appear*
12 *either before the judge personally or before other judges on the judge’s court. A*
13 *judge shall discourage members of the judge’s family* from engaging in dealings*
14 *that would reasonably appear to exploit the judge’s judicial position or that would*
15 *involve family members in frequent transactions or continuing business*
16 *relationships with persons likely to appear before the judge. This rule is*
17 *necessary to avoid creating an appearance of exploitation of office or favoritism*
18 *and to minimize the potential for disqualification.*

19 *Participation by a judge in financial and business dealings is subject to the*
20 *general prohibitions in Canon 4A against activities that tend to reflect adversely*
21 *on impartiality,* demean the judicial office, or interfere with the proper*
22 *performance of judicial duties. Such participation is also subject to the general*
23 *prohibition in Canon 2 against activities involving impropriety* or the*
24 *appearance of impropriety* and the prohibition in Canon 2B against the misuse of*
25 *the prestige of judicial office.*

26 *In addition, a judge must maintain high standards of conduct in all of the*
27 *judge’s activities, as set forth in Canon 1.*
28

29 (2) A judge may, subject to the requirements of this code, hold and manage
30 investments of the judge and members of the judge’s family,* including real
31 estate, and engage in other remunerative activities. A judge shall not
32 participate in, nor permit the judge’s name to be used in connection with, any
33 business venture or commercial advertising that indicates the judge’s title or
34 affiliation with the judiciary or otherwise lend the power or prestige of his or
35 her office to promote a business or any commercial venture.
36

37 (3) A judge shall not serve as an officer, director, manager, or employee of a
38 business affected with a public interest, including, without limitation, a
39 financial institution, insurance company, or public utility.
40

41 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(3)*

42 *Although participation by a judge in business activities might otherwise be*
43 *permitted by Canon 4D, a judge may be prohibited from participation by other*

1 *provisions of this code when, for example, the business entity frequently appears*
2 *before the judge's court or the participation requires significant time away from*
3 *judicial duties. Similarly, a judge must avoid participating in any business activity*
4 *if the judge's participation would involve misuse of the prestige of judicial office.*
5 *See Canon 2B.*

6
7 (4) A judge shall manage personal investments and financial activities so as to
8 minimize the necessity for disqualification. As soon as reasonably possible, a
9 judge shall divest himself or herself of investments and other financial interests
10 that would require frequent disqualification.

11
12 (5) Under no circumstance shall a judge accept a gift,* bequest, or favor if the
13 donor is a party whose interests have come or are reasonably likely to come
14 before the judge. A judge shall discourage members of the judge's family
15 residing in the judge's household* from accepting similar benefits from parties
16 who have come or are reasonably likely to come before the judge.

17
18 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(5)*

19 *In addition to the prohibitions set forth in Canon 4D(5) regarding gifts,**
20 *other laws* may be applicable to judges, including, for example, Code of Civil*
21 *Procedure section 170.9 and the Political Reform Act of 1974 (Gov. Code, §*
22 *81000 et seq.).*

23 *Canon 4D(5) does not apply to contributions to a judge's campaign for*
24 *judicial office, a matter governed by Canon 5, although such contributions may*
25 *give rise to an obligation by the judge to disqualify or disclose. See Canon*
26 *3E(2)(b) and accompanying Commentary and Code of Civil Procedure section*
27 *170.1, subdivision (a)(9).*

28 *Because a gift,* bequest, or favor to a member of the judge's family*
29 *residing in the judge's household* might be viewed as intended to influence the*
30 *judge, a judge must inform those family members of the relevant ethical*
31 *constraints upon the judge in this regard and urge them to take these constraints*
32 *into account when making decisions about accepting such gifts,* bequests, or*
33 *favours. A judge cannot, however, reasonably be expected to know or control all of*
34 *the financial or business activities of all family members residing in the judge's*
35 *household.**

36 *The application of Canon 4D(5) requires recognition that a judge cannot*
37 *reasonably be expected to anticipate all persons or interests that may come before*
38 *the court.*

39
40 (6) A judge shall not accept and shall discourage members of the judge's
41 family residing in the judge's household* from accepting a gift,* bequest,
42 favor, or loan from anyone except as hereinafter set forth, provided that

1 acceptance would not reasonably be perceived as intended to influence the
2 judge in the performance of judicial duties:

3
4 (a) a gift,* bequest, favor, or loan from a person whose preexisting
5 relationship with the judge would prevent the judge under Canon 3E from
6 hearing a case involving that person;

7
8 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(6)(a)*

9 *Upon appointment or election as a judge or within a reasonable period of*
10 *time thereafter, a judge may attend an event honoring the judge's appointment or*
11 *election as a judge provided that (1) the judge would otherwise be disqualified*
12 *from hearing any matter involving the person or entity holding or funding the*
13 *event, and (2) a reasonable person would not conclude that attendance at the*
14 *event undermines the judge's integrity,* impartiality,* or independence.**

15
16 (b) a gift* for a special occasion from a relative or friend, if the gift* is
17 fairly commensurate with the occasion and the relationship;

18
19 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(6)(b)*

20 *A gift* to a judge, or to a member of the judge's family residing in the*
21 *judge's household,* that is excessive in value raises questions about the judge's*
22 *impartiality* and the integrity* of the judicial office and might require*
23 *disqualification of the judge where disqualification would not otherwise be*
24 *required. See, however, Canon 4D(6)(a).*

25
26 (c) commercial or financial opportunities and benefits, including special
27 pricing and discounts, and loans from lending institutions in their regular
28 course of business, if the same opportunities and benefits or loans are made
29 available on the same terms to similarly situated persons who are not
30 judges;

31
32 (d) any gift* incidental to a public testimonial, or educational or resource
33 materials supplied by publishers on a complimentary basis for official use,
34 or an invitation to the judge and the judge's spouse or registered domestic
35 partner* or guest to attend a bar-related function or an activity devoted to
36 the improvement of the law, the legal system, or the administration of
37 justice;*

38
39 (e) advances or reimbursement for the reasonable cost of travel,
40 transportation, lodging, and subsistence that is directly related to
41 participation in any judicial, educational, civic, or governmental program or
42 bar-related function or activity devoted to the improvement of the law, the
43 legal system, or the administration of justice;*

1 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(6)(e)*

2 *Acceptance of an invitation to a law-related function is governed by Canon*
3 *4D(6)(d); acceptance of an invitation paid for by an individual lawyer or group of*
4 *lawyers is governed by Canon 4D(6)(g). See also Canon 4H(2) and*
5 *accompanying Commentary.*

6
7 (f) a gift,* award, or benefit incident to the business, profession, or other
8 separate activity of a spouse or registered domestic partner* or other
9 member of the judge’s family residing in the judge’s household,* including
10 gifts,* awards, and benefits for the use of both the spouse or registered
11 domestic partner* or other family member and the judge;

12
13 (g) ordinary social hospitality;

14
15 *ADVISORY COMMITTEE COMMENTARY: Canon 4D(6)(g)*

16 *Although Canon 4D(6)(g) does not preclude ordinary social hospitality, a*
17 *judge should carefully weigh acceptance of such hospitality to avoid any*
18 *appearance of impropriety* or bias or any appearance that the judge is misusing*
19 *the prestige of judicial office. See Canons 2 and 2B. A judge should also consider*
20 *whether acceptance would affect the integrity,* impartiality,* or independence* of*
21 *the judiciary. See Canon 2A.*

22
23 (h) an invitation to the judge and the judge’s spouse, registered domestic
24 partner,* or guest to attend an event sponsored by an educational, religious,
25 charitable, service,* or civic organization with which the judge is
26 associated or involved, if the same invitation is offered to persons who are
27 not judges and who are similarly engaged with the organization.

28
29 (7) A judge may accept the following, provided that acceptance would not
30 reasonably be perceived as intended to influence the judge in the performance
31 of judicial duties:

32
33 (a) a scholarship or fellowship awarded on the same terms and based on the
34 same criteria applied to other applicants;

35
36 (b) rewards and prizes given to competitors or participants in random
37 drawings, contests, or other events that are open to persons who are not
38 judges.

39
40 *ADVISORY COMMITTEE COMMENTARY: Canons 4D(6) and 4D(7)*

41 *The references to such scholarships, fellowships, rewards, and prizes were*
42 *moved from Canon 4D(6) to Canon 4D(7) because they are not considered to be*
43 *gifts* under this code, and a judge may accept them.*

1 **E. Fiduciary* Activities**

2
3 (1) A judge shall not serve as executor, administrator, or other personal
4 representative, trustee, guardian, attorney in fact, or other fiduciary,* except
5 for the estate, trust, or person of a member of the judge’s family,* and then
6 only if such service will not interfere with the proper performance of judicial
7 duties.

8
9 (2) A judge shall not serve as a fiduciary* if it is likely that the judge as a
10 fiduciary* will be engaged in proceedings that would ordinarily come before
11 the judge, or if the estate, trust, or minor or conservatee will be engaged in
12 contested proceedings in the court on which the judge serves or one under its
13 appellate jurisdiction.

14
15 (3) The same restrictions on financial activities that apply to a judge personally
16 also apply to the judge while acting in a fiduciary* capacity.

17
18 *ADVISORY COMMITTEE COMMENTARY: Canon 4E*

19 *The Time for Compliance provision of this code (Canon 6F) postpones the*
20 *time for compliance with certain provisions of this canon in some cases.*

21 *The restrictions imposed by this canon may conflict with the judge’s*
22 *obligation as a fiduciary.* For example, a judge shall resign as trustee if*
23 *detriment to the trust would result from divestiture of trust holdings the retention*
24 *of which would place the judge in violation of Canon 4D(4).*

25
26 **F. Service as Arbitrator or Mediator**

27
28 A judge shall not act as an arbitrator or mediator or otherwise perform judicial
29 functions in a private capacity unless expressly authorized by law.*

30
31 *ADVISORY COMMITTEE COMMENTARY: Canon 4F*

32 *Canon 4F does not prohibit a judge from participating in arbitration,*
33 *mediation, or settlement conferences performed as part of his or her judicial*
34 *duties.*

35
36 **G. Practice of Law**

37
38 A judge shall not practice law.

39
40 *ADVISORY COMMITTEE COMMENTARY: Canon 4G*

41 *This prohibition refers to the practice of law in a representative capacity*
42 *and not in a pro se capacity. A judge may act for himself or herself in all legal*
43 *matters, including matters involving litigation and matters involving appearances*

1 *before or other dealings with legislative and other governmental bodies.*
2 *However, in so doing, a judge must not abuse the prestige of office to advance the*
3 *interests of the judge or member of the judge's family.* See Canon 2B.*

4 *This prohibition applies to subordinate judicial officers,* magistrates,*
5 *special masters, and judges of the State Bar Court.*

7 **H. Compensation, Reimbursement, and Honoraria**

8
9 A judge may receive compensation and reimbursement of expenses as provided by
10 law* for the extrajudicial activities permitted by this code, if the source of such
11 payments does not give the appearance of influencing the judge's performance of
12 judicial duties or otherwise give the appearance of impropriety.*

13
14 (1) Compensation shall not exceed a reasonable amount nor shall it exceed
15 what a person who is not a judge would receive for the same activity.

16
17 (2) Expense reimbursement shall be limited to the actual cost of travel, food,
18 lodging, and other costs reasonably incurred by the judge and, where
19 appropriate to the occasion, by the judge's spouse, registered domestic
20 partner,* or guest. Any payment in excess of such an amount is compensation.

21
22 (3) No judge shall accept any honorarium. "Honorarium" means any payment
23 made in consideration for a speech given, an article published, or attendance at
24 any public or private conference, convention, meeting, social event, meal, or
25 like gathering. "Honorarium" does not include earned income for personal
26 services that are customarily provided in connection with the practice of a bona
27 fide business, trade, or profession, such as teaching or writing for a publisher,
28 and does not include fees or other things of value received pursuant to Penal
29 Code section 94.5 for performance of a marriage. For purposes of this canon,
30 "teaching" includes presentations to impart educational information to lawyers
31 in events qualifying for credit under Mandatory Continuing Legal Education,
32 to students in bona fide educational institutions, and to associations or groups
33 of judges.

34 **ADVISORY COMMITTEE COMMENTARY: Canon 4H**

35 *Judges should not accept compensation or reimbursement of expenses if*
36 *acceptance would appear to a reasonable person to undermine the judge's*
37 *integrity,* impartiality,* or independence.**

38 *A judge must assure himself or herself that acceptance of reimbursement or*
39 *fee waivers would not appear to a reasonable person to undermine the judge's*
40 *independence,* integrity,* or impartiality.* The factors a judge should consider*
41 *when deciding whether to accept reimbursement or a fee waiver for attendance at*
42 *a particular activity include whether:*
43

1 (a) *the sponsor is an accredited educational institution or bar association*
2 *rather than a trade association or a for-profit entity;*

3
4 (b) *the funding comes largely from numerous contributors rather than from*
5 *a single entity, and whether the funding is earmarked for programs with*
6 *specific content;*

7
8 (c) *the content is related or unrelated to the subject matter of a pending* or*
9 *impending* proceeding before the judge, or to matters that are likely to*
10 *come before the judge;*

11
12 (d) *the activity is primarily educational rather than recreational, and*
13 *whether the costs of the event are reasonable and comparable to those*
14 *associated with similar events sponsored by the judiciary, bar associations,*
15 *or similar groups;*

16
17 (e) *information concerning the activity and its funding sources is available*
18 *upon inquiry;*

19
20 (f) *the sponsor or source of funding is generally associated with particular*
21 *parties or interests currently appearing or likely to appear in the judge's*
22 *court, thus possibly requiring disqualification of the judge;*

23
24 (g) *differing viewpoints are presented;*

25
26 (h) *a broad range of judicial and nonjudicial participants are invited; or*

27
28 (i) *the program is designed specifically for judges.*

29
30 *Judges should be aware of the statutory limitations on accepting gifts.**

CANON 5

**A JUDGE OR CANDIDATE FOR JUDICIAL OFFICE* SHALL NOT
ENGAGE IN POLITICAL OR CAMPAIGN ACTIVITY THAT IS
INCONSISTENT WITH THE INDEPENDENCE,* INTEGRITY,* OR
IMPARTIALITY* OF THE JUDICIARY**

Judges and candidates for judicial office* are entitled to entertain their personal views on political questions. They are not required to surrender their rights or opinions as citizens. They shall, however, not engage in political activity that may create the appearance of political bias or impropriety.* Judicial independence,* impartiality,* and integrity* shall dictate the conduct of judges and candidates for judicial office.*

Judges and candidates for judicial office* shall comply with all applicable election, election campaign, and election campaign fundraising laws* and regulations.

ADVISORY COMMITTEE COMMENTARY: Canon 5

The term “political activity” should not be construed so narrowly as to prevent private comment.

A. Political Organizations*

Judges and candidates for judicial office* shall not

(1) act as leaders or hold any office in a political organization;*

(2) make speeches for a political organization* or candidate for nonjudicial office, or publicly endorse or publicly oppose a candidate for nonjudicial office; or

(3) personally solicit funds for a political organization* or nonjudicial candidate; or make contributions to a political party or political organization* or to a nonjudicial candidate in excess of \$500 in any calendar year per political party or political organization* or candidate, or in excess of an aggregate of \$1,000 in any calendar year for all political parties or political organizations* or nonjudicial candidates.

ADVISORY COMMITTEE COMMENTARY: Canon 5A

This provision does not prohibit a judge or a candidate for judicial office from signing a petition to qualify a measure for the ballot, provided the judge does not use his or her official title.*

1 *In judicial elections, judges are neither required to shield themselves from*
2 *campaign contributions nor are they prohibited from soliciting contributions from*
3 *anyone, including attorneys. Nevertheless, there are necessary limits on judges*
4 *facing election if the appearance of impropriety* is to be avoided. In soliciting*
5 *campaign contributions or endorsements, a judge shall not use the prestige of*
6 *judicial office in a manner that would reasonably be perceived as coercive. See*
7 *Canons 1, 2, 2A, and 2B. Although it is improper for a judge to receive a gift**
8 *from an attorney subject to exceptions noted in Canon 4D(6), a judge’s campaign*
9 *may receive attorney contributions.*

10 *Although attendance at political gatherings is not prohibited, any such*
11 *attendance should be restricted so that it would not constitute an express public*
12 *endorsement of a nonjudicial candidate or a measure not affecting the law, the*
13 *legal system, or the administration of justice* otherwise prohibited by this canon.*

14 *Subject to the monetary limitation herein to political contributions, a judge*
15 *or a candidate for judicial office* may purchase tickets for political dinners or*
16 *other similar dinner functions. Any admission price to such a political dinner or*
17 *function in excess of the actual cost of the meal will be considered a political*
18 *contribution. The prohibition in Canon 5A(3) does not preclude judges from*
19 *contributing to a campaign fund for distribution among judges who are candidates*
20 *for reelection or retention, nor does it apply to contributions to any judge or*
21 *candidate for judicial office.**

22 *Under this canon, a judge may publicly endorse a candidate for judicial*
23 *office.* Such endorsements are permitted because judicial officers have a special*
24 *obligation to uphold the integrity,* impartiality,* and independence* of the*
25 *judiciary and are in a unique position to know the qualifications necessary to*
26 *serve as a competent judicial officer.*

27 *Although family members of the judge or candidate for judicial office* are*
28 *not subject to the provisions of this code, a judge or candidate for judicial office**
29 *shall not avoid compliance with this code by making contributions through a*
30 *spouse or registered domestic partner* or other family member.*

31 **B. Conduct During Judicial Campaigns and Appointment Process**

32
33
34 (1) A candidate for judicial office* or an applicant seeking appointment to
35 judicial office shall not:

36
37 (a) make statements to the electorate or the appointing authority that
38 commit the candidate or the applicant with respect to cases, controversies,
39 or issues that are likely to come before the courts, or

40
41 (b) knowingly,* or with reckless disregard for the truth, misrepresent the
42 identity, qualifications, present position, or any other fact concerning
43 himself or herself or his or her opponent or other applicants.

1 (2) A candidate for judicial office* shall review and approve the content of all
2 campaign statements and materials produced by the candidate or his or her
3 campaign committee before its dissemination. A candidate shall take
4 appropriate corrective action if the candidate learns of any misrepresentations
5 made in his or her campaign statements or materials. A candidate shall take
6 reasonable measures to prevent any misrepresentations being made in his or
7 her support by third parties. A candidate shall take reasonable measures to
8 ensure that appropriate corrective action is taken if the candidate learns of any
9 misrepresentations being made in his or her support by third parties.

10
11 (3) Every candidate for judicial office* shall complete a judicial campaign
12 ethics course approved by the Supreme Court no earlier than one year before or
13 no later than 60 days after the filing of a declaration of intention by the
14 candidate, the formation of a campaign committee, or the receipt of any
15 campaign contribution, whichever is earliest. If a judge appears on the ballot
16 as a result of a petition indicating that a write-in campaign will be conducted
17 for the office, the judge shall complete the course no later than 60 days after
18 receiving notice of the filing of the petition, the formation of a campaign
19 committee, or the receipt of any campaign contribution, whichever is earliest.

20
21 Unless a judge forms a campaign committee or solicits or receives campaign
22 contributions, this requirement does not apply to judges who are unopposed for
23 election and will not appear on the ballot.

24
25 Unless an appellate justice forms a campaign committee or solicits or receives
26 campaign contributions, this requirement does not apply to appellate justices.

27
28 *ADVISORY COMMITTEE COMMENTARY: Canon 5B*

29 *The purpose of Canon 5B is to preserve the integrity* of the appointive and*
30 *elective process for judicial office and to ensure that the public has accurate*
31 *information about candidates for judicial office.* Compliance with these*
32 *provisions will enhance the integrity,* impartiality,* and independence* of the*
33 *judiciary and better inform the public about qualifications of candidates for*
34 *judicial office.**

35 *This code does not contain the “announce clause” that was the subject of*
36 *the United States Supreme Court’s decision in Republican Party of Minnesota v.*
37 *White (2002) 536 U.S. 765. That opinion did not address the “commit clause,”*
38 *which is contained in Canon 5B(1)(a). The phrase “appear to commit” has been*
39 *deleted because, although candidates for judicial office* cannot promise to take a*
40 *particular position on cases, controversies, or issues prior to taking the bench and*
41 *presiding over individual cases, the phrase may have been overinclusive.*

1 *Canon 5B(1)(b) prohibits making knowing misrepresentations, including*
2 *false or misleading statements, during an election campaign because doing so*
3 *would violate Canons 1 and 2A, and may violate other canons.*

4 *Candidates for judicial office* must disclose campaign contributions in*
5 *accordance with Canon 3E(2)(b).*

6 *The time limit for completing a judicial campaign ethics course in Canon*
7 *5B(3) is triggered by the earliest of one of the following: the filing of a declaration*
8 *of intention, the formation of a campaign committee, or the receipt of any*
9 *campaign contribution. If a judge’s name appears on the ballot as a result of a*
10 *petition indicating that a write-in campaign will be conducted, the time limit for*
11 *completing the course is triggered by the earliest of one of the following: the*
12 *notice of the filing of the petition, the formation of a campaign committee, or the*
13 *receipt of any campaign contribution. A financial contribution by a candidate for*
14 *judicial office* to his or her own campaign constitutes receipt of a campaign*
15 *contribution.*

16 17 **C. Speaking at Political Gatherings**

18
19 Candidates for judicial office* may speak to political gatherings only on their own
20 behalf or on behalf of another candidate for judicial office.*

21 22 **D. Measures to Improve the Law**

23
24 A judge or candidate for judicial office* may engage in activity in relation to
25 measures concerning improvement of the law, the legal system, or the
26 administration of justice,* only if the conduct is consistent with this code.

27 28 *ADVISORY COMMITTEE COMMENTARY: Canon 5D*

29 *When deciding whether to engage in activity relating to measures*
30 *concerning the law, the legal system, or the administration of justice,* such as*
31 *commenting publicly on ballot measures, a judge must consider whether the*
32 *conduct would violate any other provisions of this code. See the explanation of*
33 *“law, the legal system, or the administration of justice” in the Terminology*
34 *section.*

1
2
3 **CANON 6**

4 **COMPLIANCE WITH THE CODE OF JUDICIAL ETHICS**

5 **A. Judges**

6
7 Anyone who is an officer of the state judicial system and who performs judicial
8 functions including, but not limited to, a subordinate judicial officer,* a
9 magistrate, a court-appointed arbitrator, a judge of the State Bar Court, a
10 temporary judge,* or a special master, is a judge within the meaning of this code.
11 All judges shall comply with this code except as provided below.

12
13 *ADVISORY COMMITTEE COMMENTARY: Canon 6A*

14 *For the purposes of this canon, if a retired judge is serving in the Assigned*
15 *Judges Program, the judge is considered to “perform judicial functions.”*
16 *Because retired judges who are privately retained may perform judicial functions,*
17 *their conduct while performing those functions should be guided by this code.*
18

19 **B. Retired Judge Serving in the Assigned Judges Program**

20
21 A retired judge who has filed an application to serve on assignment, meets the
22 eligibility requirements set by the Chief Justice for service, and has received an
23 acknowledgment of participation in the Assigned Judges Program shall comply
24 with all provisions of this code, except for the following:

25
26 4C(2)—Appointment to governmental positions

27
28 4E—Fiduciary* activities
29

30 **C. Retired Judge as Arbitrator or Mediator**

31
32 A retired judge serving in the Assigned Judges Program is not required to comply
33 with Canon 4F of this code relating to serving as an arbitrator or mediator, or
34 performing judicial functions in a private capacity, except as otherwise provided in
35 the *Standards and Guidelines for Judicial Assignments* promulgated by the Chief
36 Justice.
37

38 *ADVISORY COMMITTEE COMMENTARY: Canon 6C*

39 *Article VI, section 6 of the California Constitution provides that a “retired*
40 *judge who consents may be assigned to any court” by the Chief Justice. Retired*
41 *judges who are serving in the Assigned Judges Program pursuant to the above*
42 *provision are bound by Canon 6B, including the requirement of Canon 4G barring*
43 *the practice of law. Other provisions of California law,* and standards and*

1 *guidelines for eligibility and service set by the Chief Justice, further define the*
2 *limitations on who may serve on assignment.*

3
4 **D. Temporary Judge,* Referee, or Court-Appointed Arbitrator¹**
5

6 A temporary judge,* a person serving as a referee pursuant to Code of Civil
7 Procedure section 638 or 639, or a court-appointed arbitrator shall comply only
8 with the following code provisions:
9

10 (1) A temporary judge,* a referee, or a court-appointed arbitrator shall comply
11 with Canons 1 [integrity* and independence* of the judiciary], 2A [promoting
12 public confidence], 3B(3) [order and decorum], 3B(4) [patient, dignified, and
13 courteous treatment], 3B(6) [require* lawyers to refrain from manifestations of
14 any form of bias or prejudice], 3D(1) [action regarding misconduct by another
15 judge], and 3D(2) [action regarding misconduct by a lawyer], when the
16 temporary judge,* referee, or court-appointed arbitrator is actually presiding in
17 a proceeding or communicating with the parties, counsel, or staff or court
18 personnel while serving in the capacity of a temporary judge,* referee, or
19 court-appointed arbitrator in the case.
20

21 (2) A temporary judge,* referee, or court-appointed arbitrator shall, from the
22 time of notice and acceptance of appointment until termination of the
23 appointment:
24

25 (a) Comply with Canons 2B(1) [not allow family or other relationships to
26 influence judicial conduct], 3B(1) [hear and decide all matters unless
27 disqualified], 3B(2) [be faithful to and maintain competence in the law*],
28 3B(5) [perform judicial duties without bias or prejudice], 3B(7) [accord full
29 right to be heard to those entitled; avoid ex parte communications, except
30 as specified], 3B(8) [dispose of matters fairly and promptly], 3B(12)
31 [remain impartial* and not engage in coercive conduct during efforts to
32 resolve disputes], 3C(1) [discharge administrative responsibilities without
33 bias and with competence and cooperatively], 3C(3) [require* staff and
34 court personnel to observe standards of conduct and refrain from bias and
35 prejudice], and 3C(5) [make only fair, necessary, and appropriate
36 appointments];
37

38 (b) Not personally solicit memberships or donations for religious, service,*
39 educational, civic, or charitable organizations from the parties and lawyers

¹ Reference should be made to relevant commentary to analogous or individual canons cited or described in this canon and appearing elsewhere in this code.

1 appearing before the temporary judge,* referee, or court-appointed
2 arbitrator;

3
4 (c) Under no circumstance accept a gift,* bequest, or favor if the donor is a
5 party, person, or entity whose interests are reasonably likely to come before
6 the temporary judge,* referee, or court-appointed arbitrator. A temporary
7 judge,* referee, or court-appointed arbitrator shall discourage members of
8 the judge’s family residing in the judge’s household* from accepting
9 benefits from parties who are reasonably likely to come before the
10 temporary judge,* referee, or court-appointed arbitrator.

11
12 (3) A temporary judge* shall, from the time of notice and acceptance of
13 appointment until termination of the appointment, disqualify himself or herself
14 in any proceeding as follows:

15
16 (a) A temporary judge*—other than a temporary judge solely conducting
17 settlement conferences—is disqualified to serve in a proceeding if any one
18 or more of the following are true:

19
20 (i) the temporary judge* has personal knowledge* (as defined in Code
21 of Civil Procedure section 170.1, subdivision (a)(1)) of disputed
22 evidentiary facts concerning the proceeding;

23
24 (ii) the temporary judge* has served as a lawyer (as defined in Code of
25 Civil Procedure section 170.1, subdivision (a)(2)) in the proceeding;

26
27 (iii) the temporary judge,* within the past five years, has given legal
28 advice to, or served as a lawyer (as defined in Code of Civil Procedure
29 section 170.1, subdivision (a)(2)), except that this provision requires
30 disqualification if the temporary judge* represented a party in the past
31 five years rather than the two-year period specified in section 170.1,
32 subdivision (a)(2)) for a party in the present proceeding;

33
34 *ADVISORY COMMITTEE COMMENTARY: Canon 6D(3)(a)(iii)*

35 *The application of Canon 6D(3)(a)(iii), providing that a temporary judge**
36 *is disqualified if he or she has given legal advice or served as a lawyer for a party*
37 *to the proceeding in the past five years, may depend on the type of assignment and*
38 *the amount of time available to investigate whether the temporary judge* has*
39 *previously represented a party. If time permits, the temporary judge* must*
40 *conduct such an investigation. Thus, if a temporary judge* is privately*
41 *compensated by the parties or is presiding over a particular matter known* in*
42 *advance of the hearing, the temporary judge* is presumed to have adequate time*
43 *to investigate. If, however, a temporary judge* is assigned to a high volume*

1 *calendar, such as traffic or small claims, and has not been provided with the*
2 *names of the parties prior to the assignment, the temporary judge* may rely on his*
3 *or her memory to determine whether he or she has previously represented a party.*
4

5 (iv) the temporary judge* has a financial interest (as defined in Code of
6 Civil Procedure sections 170.1, subdivision (a)(3), and 170.5) in the
7 subject matter in the proceeding or in a party to the proceeding;
8

9 (v) the temporary judge,* or the spouse or registered domestic partner*
10 of the temporary judge,* or a person within the third degree of
11 relationship* to either of them, or the spouse or registered domestic
12 partner* of such a person is a party to the proceeding or is an officer,
13 director, or trustee of a party;
14

15 (vi) a lawyer or a spouse or registered domestic partner* of a lawyer in
16 the proceeding is the spouse, former spouse, registered domestic
17 partner,* former registered domestic partner,* child, sibling, or parent
18 of the temporary judge* or the temporary judge's spouse or registered
19 domestic partner,* or if such a person is associated in the private
20 practice of law with a lawyer in the proceeding;
21

22 (vii) for any reason:
23

24 (A) the temporary judge* believes his or her recusal would further
25 the interests of justice;
26

27 (B) the temporary judge* believes there is a substantial doubt as to
28 his or her capacity to be impartial;* or
29

30 (C) a person aware of the facts might reasonably entertain a doubt
31 that the temporary judge* would be able to be impartial.* Bias or
32 prejudice toward an attorney in the proceeding may be grounds for
33 disqualification; or
34

35 (viii) the temporary judge* has received a campaign contribution of
36 \$1,500 or more from a party or lawyer in a matter that is before the
37 court and the contribution was received in anticipation of an upcoming
38 election.
39

40 (b) A temporary judge* before whom a proceeding was tried or heard is
41 disqualified from participating in any appellate review of that proceeding.
42

1 (c) If the temporary judge* has a current arrangement concerning
2 prospective employment or other compensated service as a dispute
3 resolution neutral or is participating in, or, within the last two years has
4 participated in, discussions regarding prospective employment or service as
5 a dispute resolution neutral, or has been engaged in such employment or
6 service, and any of the following applies:
7

8 (i) The arrangement or current employment is, or the prior employment
9 or discussion was, with a party to the proceeding;
10

11 (ii) The temporary judge* directs the parties to participate in an
12 alternative dispute resolution process in which the dispute resolution
13 neutral will be an individual or entity with whom the temporary judge*
14 has the arrangement, is currently employed or serves, has previously
15 been employed or served, or is discussing or has discussed the
16 employment or service; or
17

18 (iii) The temporary judge* will select a dispute resolution neutral or
19 entity to conduct an alternative dispute resolution process in the matter
20 before the temporary judge,* and among those available for selection is
21 an individual or entity with whom the temporary judge* has the
22 arrangement, is currently employed or serves, has previously been
23 employed or served, or is discussing or has discussed the employment
24 or service.
25

26 For the purposes of Canon 6D(3)(c), the definitions of “participating in
27 discussions,” “has participated in discussions,” “party,” and “dispute
28 resolution neutral” are set forth in Code of Civil Procedure section 170.1,
29 subdivision (a)(8), except that the words “temporary judge” shall be
30 substituted for the word “judge” in such definitions.
31

32 (d) A lawyer is disqualified from serving as a temporary judge* in a family
33 law or unlawful detainer proceeding if in the same type of proceeding:
34

35 (i) the lawyer holds himself or herself out to the public as representing
36 exclusively one side; or
37

38 (ii) the lawyer represents one side in 90 percent or more of the cases in
39 which he or she appears.
40

41 *ADVISORY COMMITTEE COMMENTARY: Canon 6D(3)(d)*

42 *Under Canon 6D(3)(d), “one side” means a category of persons such as*
43 *landlords, tenants, or litigants exclusively of one gender.*

1 (4) After a temporary judge* who has determined himself or herself to be
2 disqualified from serving under Canon 6D(3)(a)–(d) has disclosed the basis for
3 his or her disqualification on the record, the parties and their lawyers may
4 agree to waive the disqualification and the temporary judge* may accept the
5 waiver. The temporary judge* shall not seek to induce a waiver and shall
6 avoid any effort to discover which lawyers or parties favored or opposed a
7 waiver.
8

9 *ADVISORY COMMITTEE COMMENTARY: Canon 6D(4)*

10 *Provisions addressing waiver of mandatory disqualifications or limitations,*
11 *late discovery of grounds for disqualification or limitation, notification of the*
12 *court when a disqualification or limitation applies, and requests for*
13 *disqualification by the parties are located in rule 2.818 of the California Rules of*
14 *Court. Rule 2.818 states that the waiver must be in writing, must recite the basis*
15 *for the disqualification or limitation, and must state that it was knowingly* made.*
16 *It also states that the waiver is effective only when signed by all parties and their*
17 *attorneys and filed in the record.*
18

19 (5) A temporary judge,* referee, or court-appointed arbitrator shall, from the
20 time of notice and acceptance of appointment until termination of the
21 appointment:
22

23 (a) In all proceedings, disclose in writing or on the record information as
24 required by law,* or information that is reasonably relevant to the question
25 of disqualification under Canon 6D(3), including personal or professional
26 relationships known* to the temporary judge,* referee, or court-appointed
27 arbitrator, that he or she or his or her law firm has had with a party, lawyer,
28 or law firm in the current proceeding, even though the temporary judge,*
29 referee, or court-appointed arbitrator concludes that there is no actual basis
30 for disqualification; and
31

32 (b) In all proceedings, disclose in writing or on the record membership of
33 the temporary judge,* referee, or court-appointed arbitrator in any
34 organization that practices invidious discrimination on the basis of race,
35 sex, gender, religion, national origin, ethnicity, or sexual orientation, except
36 for membership in a religious ~~or an official military~~ organization of the
37 ~~United States and membership in a nonprofit youth organization*~~ so long
38 as membership does not violate Canon 4A [conduct of extrajudicial
39 activities].
40

41 *(Amendments to Canon 6D(5)(b) adopted January 21, 2015, effective January*
42 *21, 2016.)*
43

1 (6) A temporary judge,* referee, or court-appointed arbitrator, from the time of
2 notice and acceptance of appointment until the case is no longer pending in any
3 court, shall not make any public comment about a pending* or impending*
4 proceeding in which the temporary judge,* referee, or court-appointed
5 arbitrator has been engaged, and shall not make any nonpublic comment that
6 might substantially interfere with such proceeding. The temporary judge,*
7 referee, or court-appointed arbitrator shall require* similar abstention on the
8 part of staff and court personnel subject to his or her control. This canon does
9 not prohibit the following:

10
11 (a) Statements made in the course of the official duties of the temporary
12 judge,* referee, or court-appointed arbitrator; and

13
14 (b) Explanations about the procedures of the court.

15
16 (7) From the time of appointment and continuing for two years after the case is
17 no longer pending* in any court, a temporary judge,* referee, or court-
18 appointed arbitrator shall under no circumstances accept a gift,* bequest, or
19 favor from a party, person, or entity whose interests have come before the
20 temporary judge,* referee, or court-appointed arbitrator in the matter. The
21 temporary judge,* referee, or court-appointed arbitrator shall discourage family
22 members residing in the household of the temporary judge,* referee, or court-
23 appointed arbitrator from accepting any benefits from such parties, persons or
24 entities during the time period stated in this subdivision. The demand for or
25 receipt by a temporary judge,* referee, or court-appointed arbitrator of a fee for
26 his or her services rendered or to be rendered would not be a violation of this
27 canon.

28
29 (8) A temporary judge,* referee, or court-appointed arbitrator shall, from the
30 time of notice and acceptance of appointment and continuing indefinitely after
31 the termination of the appointment:

32
33 (a) Comply with Canon 3B(11) [no disclosure of nonpublic information*
34 acquired in a judicial capacity] (except as required by law*);

35
36 (b) Not commend or criticize jurors sitting in a proceeding before the
37 temporary judge,* referee, or court-appointed arbitrator for their verdict
38 other than in a court order or opinion in such proceeding, but may express
39 appreciation to jurors for their service to the judicial system and the
40 community; and

41
42 (c) Not lend the prestige of judicial office to advance his, her, or another
43 person's pecuniary or personal interests and not use his or her judicial title

1 in any written communication intended to advance his, her, or another
2 person's pecuniary or personal interests, except to show his, her, or another
3 person's qualifications.
4

5 (9)(a) A temporary judge* appointed under rule 2.810 of the California Rules
6 of Court, from the time of the appointment and continuing indefinitely after
7 the termination of the appointment, shall not use his or her title or service
8 as a temporary judge* (1) as a description of the lawyer's current or former
9 principal profession, vocation, or occupation on a ballot designation for
10 judicial or other elected office, (2) in an advertisement about the lawyer's
11 law firm or business, or (3) on a letterhead, business card, or other
12 document that is distributed to the public identifying the lawyer or the
13 lawyer's law firm.
14

15 (b) This canon does not prohibit a temporary judge* appointed under rule
16 2.810 of the California Rules of Court from using his or her title or service
17 as a temporary judge* on an application to serve as a temporary judge,*
18 including an application in other courts, on an application for employment
19 or for an appointment to a judicial position, on an individual resume or a
20 descriptive statement submitted in connection with an application for
21 employment or for appointment or election to a judicial position, or in
22 response to a request for information about the public service in which the
23 lawyer has engaged.
24

25 (10) A temporary judge,* referee, or court-appointed arbitrator shall comply
26 with Canon 6D(2) until the appointment has been terminated formally or until
27 there is no reasonable probability that the temporary judge,* referee, or court-
28 appointed arbitrator will further participate in the matter. A rebuttable
29 presumption that the appointment has been formally terminated will arise if,
30 within one year from the appointment or from the date of the last hearing
31 scheduled in the matter, whichever is later, neither the appointing court nor
32 counsel for any party in the matter has informed the temporary judge,* referee,
33 or court-appointed arbitrator that the appointment remains in effect.
34

35 (11) A lawyer who has been a temporary judge,* referee, or court-appointed
36 arbitrator in a matter shall not accept any representation relating to the matter
37 without the informed written consent of all parties.
38

39 (12) When by reason of serving as a temporary judge,* referee, or court-
40 appointed arbitrator in a matter, he or she has received confidential information
41 from a party, the person shall not, without the informed written consent of the
42 party, accept employment in another matter in which the confidential
43 information is material.

1 *ADVISORY COMMITTEE COMMENTARY: Canon 6D*

2 *Any exceptions to the canons do not excuse a judicial officer's separate*
3 *statutory duty to disclose information that may result in the judicial officer's*
4 *recusal or disqualification.*

5
6 **E. Judicial Candidate**

7
8 A candidate for judicial office* shall comply with the provisions of Canon 5.

9
10 **F. Time for Compliance**

11
12 A person to whom this code becomes applicable shall comply immediately with
13 all provisions of this code except Canons 4D(4) and 4E and shall comply with
14 Canons 4D(4) and 4E as soon as reasonably possible and in any event within a
15 period of one year.

16
17 *ADVISORY COMMITTEE COMMENTARY: Canon 6F*

18 *If serving as a fiduciary* when selected as a judge, a new judge may,*
19 *notwithstanding the prohibitions in Canon 4E, continue to serve as a fiduciary**
20 *but only for that period of time necessary to avoid adverse consequences to the*
21 *beneficiary of the fiduciary* relationship and in no event longer than one year.*

22
23 **G. (Canon 6G repealed effective June 1, 2005; adopted December 30, 2002.)**

24
25 **H. Judges on Leave Running for Other Public Office**

26
27 A judge who is on leave while running for other public office pursuant to article
28 VI, section 17 of the California Constitution shall comply with all provisions of
29 this code, except for the following, insofar as the conduct relates to the campaign
30 for public office for which the judge is on leave:

31
32 2B(2)—Lending the prestige of judicial office to advance the judge's personal
33 interest

34
35 4C(1)—Appearing at public hearings

36
37 5—Engaging in political activity (including soliciting and accepting campaign
38 contributions for the other public office).

39
40 *ADVISORY COMMITTEE COMMENTARY: Canon 6H*

41 *These exceptions are applicable only during the time the judge is on leave*
42 *while running for other public office. All of the provisions of this code will*

- 1 *become applicable at the time a judge resumes his or her position as a judge.*
- 2 *Conduct during elections for judicial office is governed by Canon 5.*
