- (1) Memorandum dated November 1, 2021, from Timothy M. Corcoran and Robin P. Parker to the Policy and Procedure Committee regarding Consideration of Proposed Regulatory Amendments to Eliminate References to Registered Mail by Repealing Section 550.20 (Use of Certified Mail in Lieu of Registered Mail) and Amending Section 564 (Decision) of Title 13 of the California Code of Regulations

LOCAL MANDATE DETERMINATION

The proposed regulation does not impose any mandate on local agencies or school districts.

ALTERNATIVES THAT WOULD LESSEN ADVERSE ECONOMIC IMPACT ON SMALL BUSINESS

No alternatives were proposed to the Board that would lessen any adverse economic impact on small business.

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

ALTERNATIVES DETERMINATION

The Board has determined that no alternative it considered would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed

action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The amendments adopted by the Board are the only regulatory provisions identified by the Board that accomplish the goal of clarifying case management for franchised new motor vehicle dealers and their franchisors (new vehicle manufacturers or distributors) who choose to file a protest or petition with the Board. No other alternative has been proposed or otherwise brought to the Board's attention.
