

NEW MOTOR VEHICLE BOARD

Section Affected in Title 13: 599

Justification for Changes without Regulatory Effect:

During the biennial review of the New Motor Vehicle Board's Conflict of Interest Code, non-substantive changes to Section 599 of Title 13 of the California Code of Regulations were identified. This section contains information on how a member of the public could request a copy of the Board's Conflict of Interest Code. The proposed changes cleanup dated language and update the address for the Fair Political Practices Commission.

The proposed changes qualify as Title 1, CCR, section 100 changes because they do "not materially alter any requirement, right, responsibility, condition, prescription or other regulatory element of any California Code of Regulations provision" due to their non-material nature.
